technical data sheet

Beacon Signal All Temp NGE Oils

Product Application:

Beacon Signal All Temp NGE Oils are high quality, low ash dispersant/detergent-type engine oils. They are recommended for use in four-cycle and selected two-cycle stationary engines fueled by natural or synthetic fuels.

Signal All Temp NGE Oils are formulated using solvent refined stable paraffinic base stocks and a select additive package containing ash less dispersant, oxidation inhibitors and metallic detergents and anti-wear agents.
