**SCHUTT** is a design house with a unique approach, providing clients with the highest quality and experience. Keeping designs aligned with creativity, harmony and their core principles, they create richly layered, limited edition pieces inspired by a diverse cultural influence and the relationships of balance, beauty, and order. Kendal started working in a fabric showroom (Osborne and Little) and in 2018 decided to open her own practice doing private interiors and furniture design with a special focus on chairs.
