UPDATE TO HEALTH & SAFETY PRACTICES, EFFECTIVE JUNE 21

We have updated our health and safety measures based on new guidance from the CDC and state and local officials. The changes below will go into effect on Monday, June 21.

If your state is still in a state of emergency (i.e. the state of North Carolina), those state regulations will supersede these changes.

BUILDING & CLASSROOM ACCESS EXPANDED:

Building & Classroom Access Expanded: Beginning June 21, families are welcome to enter the building and accompany their child into the classroom. Please note we will still take temperatures before anyone can enter the building. If a parent or child has a temperature, they will not be allowed into the classroom.
