ABOUT

DIGITAL MARKETING MAVEN SERIAL ENTREPRENEUR

Meet Candace Junée who helps women entrepreneurs market their businesses to 6-Figures! She's a dynamic entrepreneur and on- fire business woman who's passionate about helping professionals and entrepreneurs develop the confidence they need to build exceptional brands, careers, and lives. She holds both a B.S. in Mechanical Engineering & M.B.A. from Washington University in St. Louis. She is most known for the simple fact that she has a huge heart for business and a passion to see women reach their full potential.

“Candace gave right-now applicable strategies for me to improve my Instagram conversions. I knew I was leaving money on the table and now I know exactly what to do.

- Hustle Her Way, June 2019
