

Monthly Parent Newsletter

We believe that the present generation of students has the potential to be used by God in a way that surpasses every other generation in history.

WHAT WE'RE TEACHING

For the Month of September & October we are talking about our IDENTITY and how DISTINCT we are in Gods Eyes!

When we think of gifts that teenagers have we tend to think of certain, visible type of gifts in areas like music, athletics, or leadership.

Those are all excellent skills and gifts that a teenager can share with the world . . . But there are so many more amazing gifts that we can recognize, celebrate, and develop!
