## *A bit about us*

**Bloominati Florals** is a full-service wedding and event floral space that orchestrates ethereal, lush, decadent bouquets, centerpieces, and arrangements for your Big Day or special event.

My personal, hands-on approach to your event teamed with an extensive knowledge on striking colour combinations, the finest seasonal flowers, attention to detail and a love for creating moments will ensure we work together to create flowers that are truly memorable.

Bloominati Florals services range from full-scale event styling (think faitytale floral arches, reception decor, design plans, props straight out of your dreams) to Fundamentals such as the bridal bouquets, buttonholes, corsages, floral headpieces and more using the most beautiful flowers and foliages.

Whatever it is that you're looking for, I'll work closely with you and your vision to create flowers that surpass your expectations. I can't wait to hear about your Big Day!
