

SAVUTI LUXURY SAFARI

4 DAY SAFARI

4 DAY LUXURY SAFARI
Savuti 3 nights

Day 1 to 4

Guests can either fly into Savuti where their guide will meet them or they can be collected in Kasane and drive to Savuti. This take us approximately 4/5 hours we will have a packed lunch served along the route out in the wilderness, it always tastes better that way.

The Savuti area is a prime game viewing destination and covers almost 5,000km² in the south west of the Chobe National Park. The area offers great game viewing at certain times of the year. The Savuti Channel has a fascinating history of flooding and drying up independently of good rainy seasons and flood levels elsewhere - a mystery that has intrigued geologists and other researchers for many years. The channel dried up in 1885 and started flowing again 1967 to 1982. Dry 1982 until 2009, where it flowed again for a few years. It is currently dry but is still a phenomenal place to visit with great game drives along the open chanelns and grasslands.

The next 2 days will be spent game driving in the Savuti area. Here we will get to see our first hills where some of them have small San paintings on them. We will break it up into a morning and afternoon game drive with a nice siesta in the middle. There are plenty of birds and animals to see in this area. This area is famous for its large bull elephants and lions but one must always keep an open mind and enjoy whatever we encounter.

Day 4

After breakfast you will take a game drive to the airstrip for your onward journeys. This is not the end of the journey as Africa is now in you so we look forward to seeing you back soon. If nothing else spread the good word of your experiences and time with us.
