02

COMPLETE AND RETURN DESIGN QUESTIONNAIRE

After purchasing this service, you'll receive a comprehensive online questionnaire that allows you to share your style, design preferences, favourite paint brand, and provide photos of the space.

03

PAINT COLOUR PRESENTATION

After receiving your completed questionnaire and photos I'll create a paint colour consultation report that will include three options for your cabinetry that coordinate with your countertops, backsplash, flooring, and decor. Additionally, you'll receive a paint sheen guide, testing instructions, and some 'Rose' styling inspiration.

04

TEST THE COLOURS AND ASK FOR FEEDBACK

Your next step is to test the paint colours following the directions in the consultation report. If you wish, you can then share photos of your results with me for feedback.
