

Welcome to Dee's Dolphins 2022

@ Lakes Pool 7502 Venice Dr.

- The 9:00 and 9:30am beginner classes will meet on the steps. Parents will walk their swimmer to the steps and may observe from inside the clubhouse.
- Please be sure they have "pottied" before the lesson. The class ends each day with a jump into the water. This will signal the parents to walk back out to the deck to pick up their child.
- I have lollipops, smarties or bubblegum as a treat each day. If you prefer your child not to have one please let me know so I won't offer.
- The 10:00, 10:35, and 11:10am classes parents have the option to observe from the deck as long as it's not a distraction.
- Goggles can only be worn once the child is comfortable going underwater without them. PLEASE MAKE SURE THEY FIT PROPERLY. I won't adjust goggles.
- I teach in inclement weather as long as it's NOT lightning at my location. I will TRY to make up a class canceled due to weather, but cannot guarantee because weather is out of my control.
- Demaris-Fitness is my venmo for those who choose to pay with this option.
- I also accept cash or checks.
- HAPPY SUMMERTIME
