WHAT IS GOD SAYING?

by Jonathan Shuttlesworth
@JDSHUTTLESWORTH

To ignore or mock prophetic words is a mistake that is specifically warned against in Scripture. Though many people who claim to hear from The Lord are nuts, this does not invalidate the fact that God speaks to men and women today with accuracy concerning things that are to come! We serve a God of times and seasons. God is not static. In the Bible, we read of The Holy Spirit releasing a word for an individual, for a nation, for The World, AND for The Body of Christ for a set time (Acts 11:27-30.)

WHAT IS THE WORD OF THE LORD FOR 2023?

In 2006, around Thanksgiving, out of nowhere I felt God speak very specific things to me regarding my assignment for the next year. After that, every year, between the beginning of October and Thanksgiving, without any effort, I've received a clear word from The Lord concerning the next year. As God has increased our ministry, I've felt the words shift from personal, to National. This year was no different. Please allow me to share with you what God has placed on my heart.

As you know, ever since the lockdowns, God has used 2 Chronicles 20 to guide me.

In the first part of the chapter, a great terror came on the people, and an order was given to stand in/for God's house.

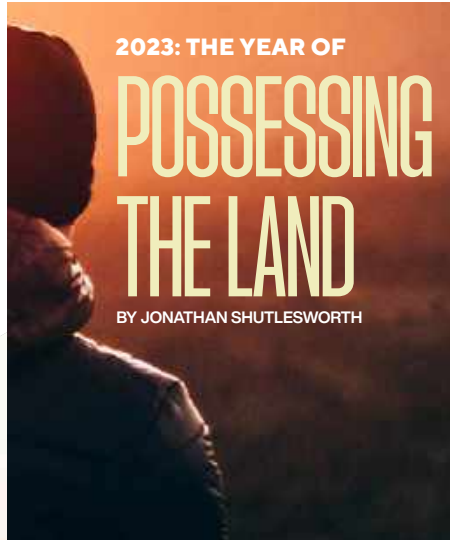

That was 2020. Who will stand in/for God's house?

In the second part of 2 Chronicles 20, The Spirit of God strengthened those who were in God's Temple.

That was 2021. "I will strengthen that which remains." All who stood for The Church were strengthened in their lives and ministries.

In the third part, God destroyed the enemies of his people. That was 2022—a year of breakthroughs and turnarounds. Vaccine mandate rescinded. Roe v. Wade overturned. Free speech brought back to social media, etc. 2022 was a year of GREAT VICTORY.

What about 2023? How does the chapter end? When *all the surrounding kingdoms heard that the Lord himself had fought against the enemies of Israel, the fear of God came over them. 30 So Jehoshaphat's kingdom was at peace, for his God had given him rest on every side.* Chronicles 20:29,30 (NLT)

In this dispensation, Satan is not permitted to continually attack. We see here that after the great victory came a great peace. After Christ rebuffed Satan's three temptations, The Bible says, "Satan left him alone for a season." Did you know there's a season where Satan has to leave you alone? After trillions of dollars invested to collapse the United States and The Church of The Lord Jesus Christ, the antichrist agenda of the globalists has failed! That unclean spirit has been broken over America and now, a window is opening to see the nation shaken by The Power of God! If you want a more negative outlook, there are plenty of ministries who will oblige you; but I believe 2023 will be a year of great Revival in the United States and many nations of the world!

2023: THE YEAR OF POSSESSING THE LAND (THE NATION AND ACTUAL LAND.)

Six more things you will see in 2023

1. NEW LEADERSHIP // REALIGNMENT

Don't get so focused on the separation of the tares that you miss the gathering of the wheat! While many have fallen away, those who have remained are being supernaturally gathered together. Are you noticing new ministry alliances stretching across denominations and fellowships? It will continue in 2023. God is taking the best of the Baptist soul-winning, Pentecostal fire of The Holy Ghost, and Word of Faith zeal for The Word and building a three fold chord that won't easily be broken. Watch many ministries, who previously had no fellowship, come together for mighty exploits in 2023.

2. ABOVE ALL NATIONS

Too many in The Body of Christ have tied the success of The Church in with the success of The Republican Party. In reality, very few in the GOP have any care whatsoever for The Church. The RNC uses the church like the DNC uses people in the inner-cities. God doesn't need any help from the Republicans to bless His People! "If you fully obey the Lord your God and carefully keep all his commands that I am giving you today, the Lord your God will set you high above all the nations of the world. Deuteronomy 28:1 (NLT) I'd like to remind you that all the major victories of 2022 were won with a Democrat President, House and Senate! The people of God will operate ABOVE the nation. We will be on a higher, supernatural plane. We have our own economy, our own healthcare system. **WE HAVE OUR OWN GOD WHO IS KING OF KINGS AND LORD OF LORDS!** The Church can survive without America. But America cannot survive without The Church. In 2023 you will continue to see The People of God operate independently of the world's control and the world's economy!

3. WEALTH OF THE WICKED

There's no shortage of money, it's just in the wrong hands. God is going to do something about that in 2023. The wealth that's being kept in cisterns, thought secure by wicked men; will be tapped this year and flow like a mighty river into the hands of The Righteous! Groundbreaking, generational financial testimonies—the kind you'd hear about once in a lifetime, will become the order of the day. Financially speaking, 2023 will be an extra bad year to be wicked, and an amazing year to be righteous.

4. POSSESS THE LAND

Those the Lord blesses will possess the land, but those he curses will die. Psalm 37:22a (NLT)
In 2023 God is giving The Church an open door to possess the land in the spirit. As a sign, 2023 is a year of supernatural land ownership in the natural. Land ownership is very important to your Father. The first gift God gave man was land. Everyone God ever made a covenant with in The Bible was given land. Many who are reading this right now will begin the year as tenants, but end the year as land owners and landlords! God is transferring us from Egypt to Canaan. From borrowers to lenders. The supernatural acquisition of Revival Today Church will not be an anomaly. The same grace that produced a landmark property mortgage-free is flowing to you, your business and your family THIS YEAR. Don't miss it.

5. REVIVAL—GLORY OUTSIDE— CLEAR SATAN OUT

This one is the most difficult to articulate what I know in my spirit. The ministers of the 1950s Healing Revival said, "it was like healing was in the air." There was a breakthrough in the spirit realm that made signs and wonders flow with ease. We are entering into that again! The works of God will flow outside the meetings themselves. They'll affect those near the building and others not present in the auditorium. An unclean principality in America has been driven out. Now the move of God will have free course. You'll hear of great meetings in different parts of the nation. The kind that change a state. A red wave is coming to America. But it's not a conservative political wave. It's a wave of the red blood of Jesus to heal our land!

6. SUPERNATURAL REST

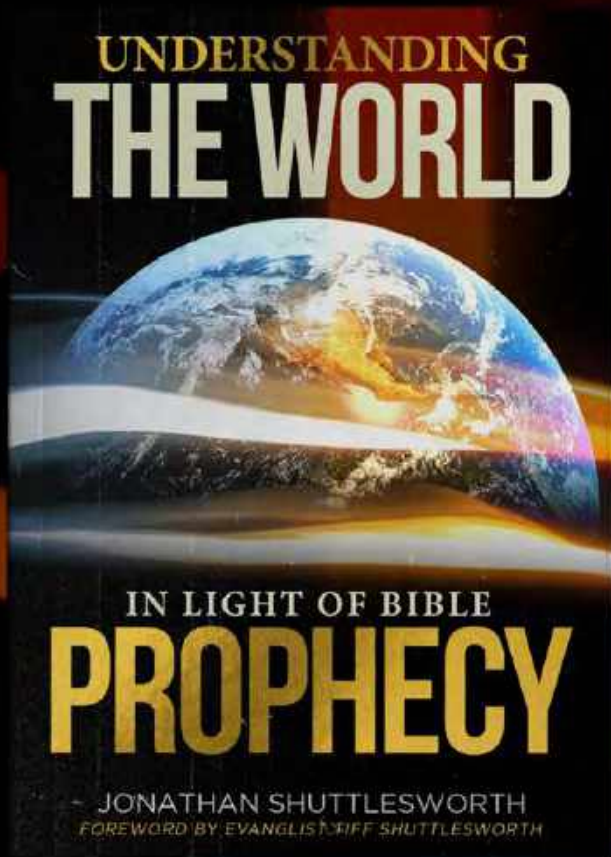

Abandoning that one, Isaac moved on and dug another well. This time there was no dispute over it, so Isaac named the place Rehoboth (which means "open space"), for he said, "At last the Lord has created enough space for us to prosper in this land." Genesis 26:22 (NLT) Life can't be fighting all the time. For many the last 3 years have been a non-stop cycle of trauma. THAT CYCLE IS NOW BROKEN. God is giving you your own Rehoboth. A place of peace. A place of rest. Space to prosper! GUARD YOUR CONFESSION. Stop letting anything come out of your mouth about how hard life is. Begin to rejoice now that 2023 is going to be the greatest year you've ever known!

It's worth a listen...

GOD'S WORD OVER EVERYTHING

by Adalis Shuttlesworth
@ADALIS_SHUTTLESWORTH

“But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you.”

-Matthew 6:33

Who and what you're loyal to, determines the course of your life! It's so important as a believer to stand up for righteousness. This righteousness is found in the Word of God. Too many Believers have created their reality on some philosophy, emotion or belief outside of the Word and have done so to their demise.

The Bible was created for the benefit of God's people.

The Bible is our life's manual. It was created for the benefit of God's people. In it you'll find the way to prosperous living and every answer to your problems. When we adhere to its instructions we get a life that's more abundant; a life that is specifically designed for the child of God.

If we allow our circumstances and surroundings to dictate how we feel and believe, life becomes a battle that cannot be won. If we allow our ethnicity, gender or upbringing to define our future, we'll have a limited one. However, if we draw to God's commands and live by them, there's nothing that can block the blessing of God. Life isn't fair, life is what you make of it.

God will turn bad things around for YOUR GOOD.

From this point forward, when you put God and His Word first, your disadvantage becomes your source of unstoppable blessing. What the devil threw in your path to harm you will be turned for good. What the devil stole from you will come back multiplied! The decision lies within you! What are you going to honor in your life? What will you hold as your standard in life? What is going to determine what's right and wrong? Choose to make it the WORD OF GOD!

The Power of God is real. God has always touched and transformed His People.

Totally set free by the power of God.

Well, I'm just completely different. I thought I was a boy. I was depressed. I never wanted to come out of my room. I didn't want to go to school. I hated church. I told myself that I was a satanist. I did not believe in God. I told myself that I would never believe in God. And then, I came to church the service that Pastor Jonathan gave the motorcycle away. I remember sitting there all angry. I hated Pastor Jonathan with a passion. Whenever people would clap, I would sit still with my arms crossed and my face stern. My mom insisted that I keep coming. Soon after, Pastor Kofi had me meet Pastor Maddie. I also met some of the youth kids, and I started attending youth regularly. And that is what really helped me to find God.

I lived in pain for four years with a digestive issue. I was constantly throwing up. I was underweight and drinking Ensure. Today, I was able to eat two meals. I've had some juice. I've had a whole bunch of stuff! I'm telling you, I'm healed. I almost can't wrap my own head around it. I just believed it and it happened. I've never felt like this in my life.

People have been asking me if I'm ok and why am I eating so much now. God is amazingly good. He's my physician right now. There's no other explanation. This is for real. There's some doctors giving me some guidance, but I'm going to the big Physician from now on, because that's where it's at. That's where I got to be. I came to Sturgis to hang out and buy bike parts, but I found Jesus.

Ignite your faith for unceasing victories.
