GROUP SESSION (ALL TEAM) 3/11/23

March 11th- This will likely be a mid-morning (9 or 10), indoor session at a cool, studio location. More details to follow about theme and time.

COLOR ANALYSIS (ELITE ONLY) 4/8/23

April 8th- A group color analysis session with Ashley from House of Colour in Greenwood Village (likely in the morning around 9:00). It will be around 2 hours and moms are encouraged to come, but won't get their colors done. More details to come later.

Moms are welcome at all sessions and activities! All dates are subject to change. If a large majority of the group is unavailable, I will do my best to reschedule the event. Please put these on your calendar ASAP and make every effort to be present.

GIGGLEBLOSSOM TRY ON (ELITE TEAM) 6/19/23

June 19th- We will meet at Giggleblossom in Downtown Littleton at 9:00 am to try on clothes for our Elite ONLY group session. You can pick out whatever you want, however you are not required to wear their clothes if you want to wear something of your own.

MAKEUP/GROUP SESSION (ELITE TEAM) 6/24/23

June 24th- We will start in the afternoon with a skincare/makeup class where you will learn to do your makeup expertly. Then we will do a fun, group shoot (perhaps a graffiti/downtown session). More details to come.

GROUP SESSION (ALL TEAM) 9/9/23

September 9th- (or 9/10/23 for a backup date) A group session for the full 2023 team! Likely in the late afternoon or early evening. I am hoping by doing this early in the fall, it won't conflict with Homecoming for any schools but this date may change if it impacts a large number of the team. More details to come.

Additional dates may be added including 2 volunteer opportunities and a cap and gown mini session just before graduation in 2024.
