A white arch-shaped champagne wall is the central focus. It features four horizontal shelves, each holding a row of champagne glasses filled with a golden liquid. The word "Cheers" is written in a black, cursive script at the top of the arch. The wall is positioned on a balcony with a black metal railing. In the background, there are residential buildings, a parking lot with cars, and a clear sky.

A full-page photograph of a wedding couple dancing in a bright, modern indoor space. The man, in a light-colored suit, is dipping the woman, who is wearing a white lace wedding dress. Above them, three large silver disco balls are suspended, decorated with white flowers and greenery. String lights are visible in the background, and large windows let in natural light. A white text box is overlaid on the right side of the image.

FREQUENTLY ASKED *questions*

One. What can I expect to invest for rentals + designs? Our pricing is completely custom for your event and what your vision is, however the typical investment for full wedding decor is around \$2k including centerpieces, runners/linens, arbors, backdrop, and extras.

Two. Do you have a minimum order amount? For delivery, the minimum order amount is \$250. There is no minimum amount for pick-up orders.

Three. What are the delivery fees?

- Pensacola - \$50
- Navarre - \$100
- Destin - \$200
- Baldwin County - \$200
- We are able to deliver outside of these areas but costs will need to be discussed.

Four. Are there any other fees? There is a labor cost depending on how much time and items are needed. The amount will be on your custom quote. There is also a set-up and breakdown cost. This cost is fluid depending on how much needs to be styled at your event. There will be no set-up and breakdown cost if the client wishes to just have everything delivered and they take on their own decorating and agree to pack up everything at the end of the event.

The Process to Book
