

**Subject Line A: Be “Resolution Ready” with the first industrial-strength vacuum**

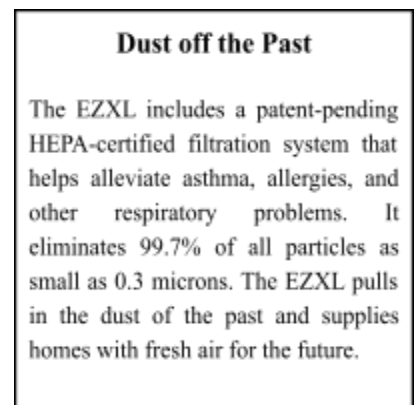

**Subject Line B: Enjoy a clean slate with the first industrial-strength vacuum**

### **Out with the Old, Zoom in with the New**

As we say goodbye to last year’s clutter and welcome a new clean slate, resolutions circle back to the truth: a clean home is a happy home. Get ready for a fresh start with the ElectroZoom XL, the first industrial-strength consumer vacuum that delivers healthy living with convenience and comfort. With features that will make your cleaning goals more joyful, the lightweight ElectroZoom XL has an insulated unibody, offering a significantly quieter experience, and includes a Bluetooth speaker for grooving while you're zooming. Be resolution-ready by optimizing your routine and upgrading your clean.

- **Ultimate Ultra Wave (U2 Wave)-** The EZXL is the first vacuum to use ultraviolet germicidal irradiation light to remove unwanted pathogens and leaves your home effortlessly immaculate.
- **ElectroGrip+-** The ElectroGrip+ handle can extend to 46 inches, allowing easier bending and flexing to reach hard places. The handle does all the work and prevents wrist and back strain when the time comes to reach difficult areas.
- **Cordless Operation-** The ElectroZoom XL operates cordlessly for 60 minutes, providing wireless, adaptable cleaning for any environment.

### **A Fresh Start for Every Room: Save more than \$200**

Trade in your troubles and get the ElectroZoom XL, now available at a promotional price of \$495. We’ll even include an eight-piece attachment set and free shipping. This offer ends January 15th, 2021, just in time for resolutions to take flight.
