DEAR FRIENDS, It is with profound gratitude that I welcome you to the 4th annual Movement Day Greater Dallas (MDGD) gathering. This past year has tugged on our hearts as a nation and as a city. As unrest was taking place all across our nation our trust and respect felt questioned. Had we lost our way from following God's call to love our neighbor as ourselves?

Then the ambush of our Dallas Police Officers took place last summer. What a tragic and horrific event. Not only to Dallas but to our nation as a whole. Racial lines were being drawn more than ever. Parents were worried about the safety of their children and families.

But what I saw was an inflection point in time, where good could emerge from evil. The day after the ambush our city leadership and churches came together in unity to provide healing and comfort to our city in Thanksgiving Square. Prayer vigils took place across our city. Pastors from churches of different ethnicities united together to reject racism and hatred while drawing closer towards love and unity.

The city pulled together to support our police department as the world watched those who lost their lives be buried. Tears of support and love were shown by President Barack Obama, Mayor Mike Rawlings, Police Chief David Brown and others as we came together as one united body.

For decades we have fought against racism and injustice. I believe the Church is poised to reclaim our city and our country. We are ready to unify our forces and work together as "One Church".

This year's theme for Movement Day Greater Dallas is, "Greater Dallas Unity through Racial Reconciliation". We are pleased to have a number of speakers and presenters sharing their stories and perspectives about racial reconciliation and unity, including our keynote speaker Bishop Claude Alexander, Senior Pastor from The Park Church in Charlotte, NC. We will also be enriched in the Spirit through music ministry from Keith and Kristyn Getty.

My hope is that the messages you hear today will resonate with your heart; words which you'll take back to your local church community and work in partnership with MDGD to bring catalytic change to our city.

Our plans in 2017 are to search out the best programs in place today and bring our churches together in a unified approach to work hand-in-hand to move the needle forward on:

- City-Wide Spiritual Transformation;
- Re-igniting our Schools and Educational opportunities;
- And Providing Job Creation to those most in need.

Dr. Jeff Warren stated, "a city-wide gospel movement takes place when churches decide not to silo their ministries and isolate themselves from other believers, especially across racial and economic lines and come together with open hearts and hand."

We are so proud to have you joining with us today, and we look forward to working closely with you throughout the year to help unify our church.

The Movement has begun.

Where do you engage and become part of the solution?

Sincerely,

DAVID MARK ALEXANDER

Executive Director, Movement Day Greater Dallas

Greetings,

As Mayor of Dallas, it is my pleasure to welcome the attendees of the 4th Annual Movement Day Greater Dallas Conference.

This year's theme of "Greater Dallas Unity through Racial Reconciliation" is timely, and we thank faith and civic leaders for leading this conversation. I hope that you leave this conference more excited and empowered to make a positive impact in our city.

As you descend upon Dallas, I encourage each of you to enjoy our beautiful city and its diversity of things to see and do. I hope that you will discover why we love to call Dallas home.

On behalf of the citizens of Dallas, we wish you the best for a memorable, joyous and successful event.

Maximize Your Experience

REMAIN OPEN TO GOD'S PROMPTINGS THIS WEEK.

Ask yourself throughout each day:

1. What has been my most important learning in this session?
2. Who have been the most important contacts for me to follow up with?
3. What are my next action steps to follow-up on, personally and corporately?
4. Who should I connect with back home to expand the impact of our citywide network?

APPLY YOUR LEARNINGS WITHIN YOUR CITY.

1. Schedule a debrief with additional colleagues within a week to discuss lessons learned, personally and corporately.
2. Answer the question: "What is God saying to us as a group regarding a reality in our city that we can change together?"
3. Define application steps for the next six months to one year.

BECOME A SCHOLAR OF YOUR CITY.

1. Spend time studying the history and influence of your city.
2. Write and disseminate a 2–3 page reflection paper on why/how a gospel movement is important to the flourishing of your city.

MOBILIZE PRAYER TOWARD A COMMON GOAL!

1. With key leaders in your city, ask God what He would like to see happen in your city and in your particular sphere of responsibility.
2. Identify a concrete five year goal(s) and then begin praying in agreement together, regularly, for their accomplishment.
3. Read and share lessons with your peers from the book, *A Disruptive Gospel: Stories and Strategies for Transforming Your City*, by Dr. Mac Pier.

Mike came to Dallas in 1976 with a couple hundred dollars in his pocket and plans to work as a radio reporter. He didn't think he'd stay long. But over the next four decades, Rawlings proved that Dallas is truly a city of opportunity. Mayor Rawlings decided in early 2011 to run for Dallas Mayor on a platform that highlighted southern Dallas as the city's greatest untapped resource. Following his June 2011 election, he launched GrowSouth, his signature initiative to spur economic development south of the Trinity River. Mayor Rawlings was re-elected to a second four-year term in May 2015. Rawlings and his wife, Micki, live in the Preston Hollow neighborhood of North Dallas.

Co-Host Keynote

MAJOR JONATHAN RICH

DFW Metroplex Commander, Salvation Army

📍 Dallas, TX

The Salvation Army is an international movement, an evangelical part of the universal Christian Church. Its message is based on the Bible. Its ministry is motivated by the love of God. Its mission is to preach the Gospel of Jesus Christ and to meet human needs in His name without discrimination.

 salvationarmydfw.org

CORE VALUES

PASSIONATE

The Salvation Army's mission is to preach the gospel of Jesus Christ and to meet human needs in his name without discrimination. We believe Christ changes lives. This faith gives us a motivation that goes beyond simply doing good. We have a passion for doing the most good for body, soul and spirit.

COMPASSIONATE

Caring for the poor.
Feeding the hungry.
Sheltering the homeless.
Clothing the naked.
Loving the unlovable.
Befriending the friendless.

UPLIFTING

William Booth once said, "The Salvation Army is a place of hope. When every other light is extinguished, and every other star has gone down, this one gleam shines steadily and clearly out in the darkened sky: 'If I could only get to the salvation army, they will do something for me.' "

BRAVE

People who serve in the Salvation Army routinely go into places others prefer to avoid: impoverished neighborhoods, jails and prisons, hospital rooms and nursing homes, gatherings of alcoholics and drug addicts, and the immediate scene of natural disasters.

TRUSTWORTHY

To those who want to positively affect their world, the Salvation Army is the charity that maximizes their contributions by using 87 cents of every dollar donated to provide direct services to the less fortunate.

KEITH & KRISTYN GETTY

Getty Music Band

📍 Nashville, TN

🌐 gettymusic.com

Keith and Kristyn Getty occupy a unique space in the world of music today as preeminent modern hymn writers. In re-inventing the traditional hymn form, they have created a distinguished catalogue of songs teaching Christian doctrine and crossing genres by connecting the world of traditional and classical composition with contemporary and globally-accessible melodies. The repertoire of Getty hymns (many penned with long-time writing partner, Stuart Townsend) includes “In Christ Alone,” “The Power of the Cross,” “Christ Is Risen, He Is Risen Indeed,” “By Faith,” and scores of others. Their hymns top CCLI rankings, national “most-loved” and “most-sung” lists, and are estimated to be sung by 100 million people in churches around the world each year. In addition to their presence in mainline hymn books and choral repertoires, the songs have been recorded by a breadth of artists including Alison Krauss, Ricky Skaggs, Owl City, Newsboys, Mercy Me, Natalie Grant, Passion/Kristian Stanfill, and Heather Headley. The Gettys have appeared on national television (CBS, PBS, BBC), at numerous prestigious events, and tour internationally with the recurring “Hymns for the Christian Life” and “Irish Christmas” tours, visiting venues as diverse as London’s Royal Albert Hall, Ryman Auditorium, and Carnegie Hall.

Keith and Kristyn live between Northern Ireland and Nashville with their three daughters. In 2016 and 2017 Keith and Kristyn will be launching a global release of “Facing a Task Unfinished” – the song, album, and tour. The Gettys, together with global partners, spearheaded the unparalleled global hymn sing of “Facing a Task Unfinished” in February of 2016. It is estimated that 1.1 million people in 100 countries across the earth sang the song on that single day. The studio album, which is conceived from this hymn and its global participation, features the Getty’s band, live congregational singing, and fresh global sounds as well as guest appearances by John Patitucci, Fernando Ortega, and artists from around the world.

WHEN YOU GIVE, YOU REMEMBER THE FORGOTTEN.

Across Dallas-Fort Worth men, women, and children can feel like the world has turned its back on them. But thanks to you, The Salvation Army opens our doors and our arms to the homeless,

sheltering nearly 8,000 people each year. We offer warm beds, hot meals, and ultimately, an escape from the streets. Not just for the night, but for good. Give at salvationarmydfw.org.
