AMBULANCE MEMBERSHIP

If your son or daughter requires emergency medical treatment, it is the schools policy to immediately call an ambulance. Similarly, for other accidents or serious illness at the dance studio, if we are unable to contact parents we may also have to call an ambulance. It is the responsibility of the parent/guardian to ensure appropriate level of cover is arranged. In the event of an emergency the school will not be responsible for costs incurred.

PICK UP/DROP OFF

All parents/guardians must drop off students on the same side of the road as the dance studio. It is the responsibility of the parent/guardian to follow all parking regulations. Please be advised that once your child's class has concluded it is no longer the teacher's responsibility for their care; please ensure an adult picks them up from the foyer immediately after their class finishes.

SUPPORTING STUDENTS WITH INDIVIDUAL NEEDS

We understand that every student is unique, and we're committed to creating an environment where all children can thrive. If your child has individual needs that may affect their learning, we encourage you to speak with their teacher(s) before or during the term. By working together and understanding each student's strengths and challenges, we can provide the best possible learning experience for your child.
