- Please bring your own equipment: tablecloths, extension cords, etc. The Sixpence will provide tables as needed.
- Set-up time can begin any time after 9 am morning of the event.
- Last song is recommended for 10:00 pm and breakdown must be completed by 11 pm.
- Venue manager has final authority over all audio volume including but not limited to live music, recorded music, ceremony accompaniment, cocktail hour music, etc.
- The Sixpence sound system is for background music and the microphone is for toasts and announcements. It is not suitable for dances or plugging any kind of sound equipment.
- There is a plug in available for sound equipment at both the lawn and the outdoor concrete ceremony spaces.
- No fog machines, bubbles, dance wax or anything that could leave residue on the floor or potentially damage the venue.
- If you are MC'ing the event, please forward us the final timeline, as it will enable us to work most efficiently together
- If you've never been to The Sixpence, it is highly suggested to contact us to talk about setup and volume.
- When you arrive at The Sixpence, please take a moment to touch base with the venue manager.
