CONGRATULATIONS

AND THANKS SO MUCH!

First things first, thanks so much for getting in touch with me about your upcoming, big day! Congratulations again for sealing the deal!

An abundance of overwhelming joy and clinking of glasses await, and I'd absolutely love to be a part of your celebrations.

As a wedding photographer, I am always in awe of two individuals who decide to pledge their lives as one. The perfect representation of Christ and the Church.

Why I can't wait to
DOCUMENT YOUR DAY

I believe the best pictures arrive from honestly candid and emotionally raw moments. I'm here to capture all the warm feelings that will spark joy for the rest of your days

Often times I hear that wedding days go by so quickly and it's all a blur. I'm here to clear things up for you. All the moments you experienced or may have even missed because you were just living your best life are going to be documented for you to remember and relish in for the rest of your days!

As you prepare to give your vows to your love, here are my vows to you. I will be there every step of the way to help prepare and cultivate a celebration that is truly unique to you. HELLO I'M WES

**A CREATIVE WITH A LOVE
FOR NOSTALGIC AND
TIMELESS ROMANCE**

I have always been creatively minded and had a deep love for true connection between humans, that real unapologetic connection.

I'm a big fan of joyous celebrations and overwhelming emotion; all of which I see on the wedding day. It's an honor to be the one capturing these honest moments for your lifetime of love.

The fact that I get to spend time with people on one of the happiest days of their lives is a joy that never ceases to bring a smile to my face. So thank you for allowing me to be the one that captures these precious moments.

“WES MADE OUR WEDDING PHOTO DREAMS COME TRUE!”

from the very first call we had with him, we could tell he was invested in getting to know us as a couple and understanding what we wanted for our photos.

Wes compiled a wonderful mix of posed and candid photos from our wedding day. Photos that made me think, "wow, I am so glad he caught that moment on camera." He was friendly, professional and so hard working during the wedding. And now, I can't stop scrolling through our wedding gallery, completely mesmerized by how absolutely gorgeous all our photos turned out.

SECOND SHOOTER

+ \$600 FOR A SECOND SHOOTER

YOUR SOLUTION TO COVER MULTIPLE LOCATIONS OR BIG WEDDINGS

As much as I'd love to clone myself and be in two spots at once, it's a lot easier to get extra coverage if you choose to have a second shooter on the day.

This is a particularly good idea if:

- You have a large guest list, and want to make sure we get shots of everyone that's there on the day
- You and your partner are getting ready at the same time, and the locations are far apart
- You're wanting photos of the ceremony and reception styling, prior to the arrival of your guests

Basically, the second shooter will act as the Goose to my Maverick, doubling the coverage of your wedding.

We'll team up to make sure that everything is captured and nothing goes unnoticed. Lastly having a second shooter will ensure photos are taken of the ceremony and reception styling, undisturbed by guests.

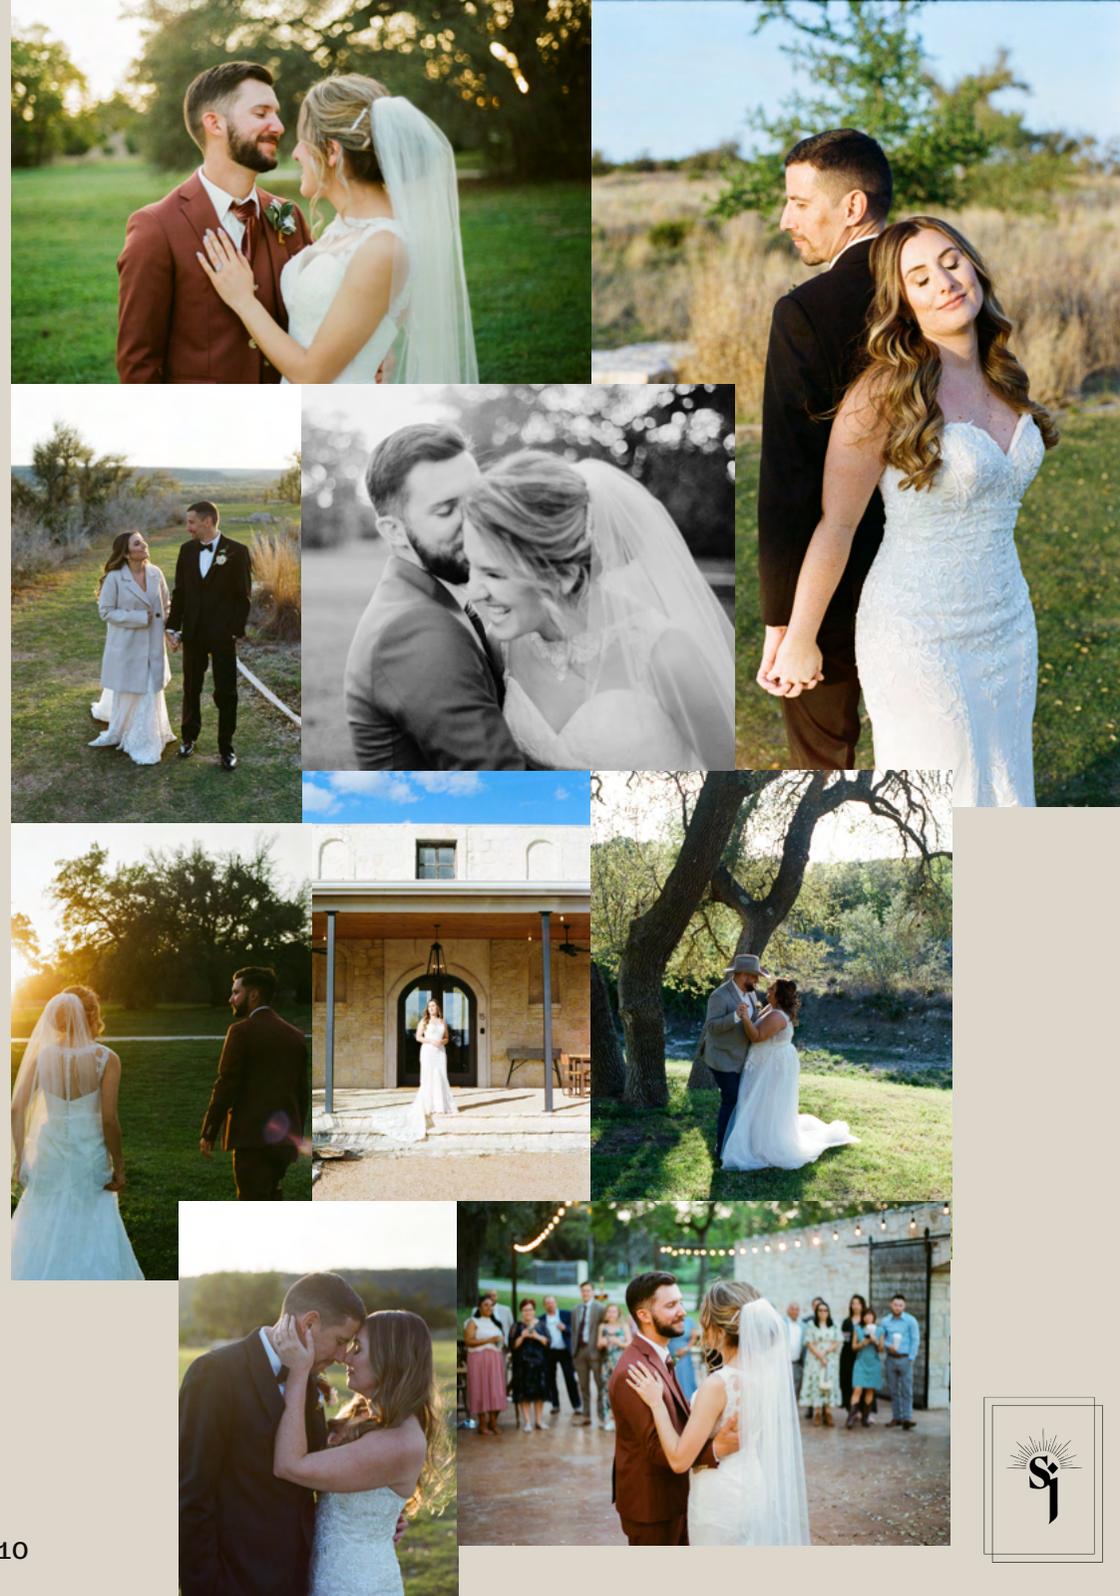

SHOT ON FILM

+ \$500 TO SEE YOUR WEDDING ON FILM

Having your day captured on 35mm film brings a timelessness and nostalgic feeling to your wedding day memories. I offer film photography because I believe it will spark joy in a unique way when you look back on the day you said "I do"

Film photos are complementary in the Joyous Occasion and Momentous Matrimony packages because these include a second shooter. I recommend, if you are wanting part of your day captured on film, to include a second shooter. The medium of film photography, in my opinion, encourages a slowing down and intentionality with each shot. I try to be specific with the film photos captured so that these images bring about that feeling of nostalgia and simplicity; one that is not easily duplicated in digital. Because I am intentional in this way, it's important to capture your day in its' entirety and that is where my second shooter will keep the ball rolling with all the necessary shots on your wedding day.

\$500 FOR YOUR ENGAGEMENT SHOOT

How many professionally taken photos do you and your partner have, ones that you really love and can fill your home with?

An engagement shoot is a chance for us to capture some really beautiful, candid photos of you and your partner in a relaxed environment. Just the two of you, being you.

Plus, if you're a little camera-shy, it's the perfect opportunity for you to practice being comfortable in front of the camera, in the lead up to your wedding day.

Either way, I promise that we'll have a lot of fun while we're at it.

PHOTO ALBUMS

Handmade from the highest quality materials and fully customizable to your liking, I'll craft and bind your favorite photos into a fine art wedding album. We'll work together to weave a story and create an album design that you're absolutely in love with.

Simply select your must-have wedding images and I'll get the ball rolling. If you're not sure where to start or simply can't decide, I'll be more than happy to help you pull it altogether.

You'll get up to 2 revisions to note any changes you'd like with my design, and we won't send it off to print until you're 100% happy with the layout. You'll be flipping through this album for years to come, so I want to make sure it's perfect for you!

FAQ'S

WHERE ARE YOU BASED?

I'm based in Austin Texas, but whether it's overseas or right here in the heart of TX, wherever your love story is, you can bet I'll be there for it!

CAN WE BOOK YOU FOR BOTH PHOTO AND VIDEO?

Absolutely! I've captured many weddings in both mediums. Since it's pretty much impossible to do both jobs well on my own, there'll be another person there with me to take on the job of video or photo. I've worked with a number of great photographers and videographers that I keep on speed dial for this very reason.

If you're thinking you want Spark Joy for both services, get in touch ASAP as my associates schedules are their own.

WHEN WILL WE RECEIVE OUR PHOTOS?

I put a lot of work into making each one of your images give you that special feeling when you look at them, and that does take time. You'll receive a few sneak peak photos within 48 hours of your wedding day and you can expect your full gallery and slideshow within 8 weeks of your "I do's".

HOW MANY PHOTOS WILL I RECEIVE?

I try not to promise a specific number of photos as every wedding is different. It can vary based on details, guest count, family portraits, etc. I can assure you that you will receive photos that are important to you and ones that tell the story of your day. That typically falls in the realm of ~600

HOW WILL WE RECEIVE OUR PHOTOS?

when the time comes for your gallery delivery, you'll receive a link to your online gallery and slide show to watch and relive your wedding day. Around the same time, you'll also receive a beautiful package in the mail with prints and a little thank you for letting me be a part of your day.

DO YOU PHOTOGRAPH ELOPEMENTS?

If you and your partner are thinking of skipping the big to do and running off to do a private ceremony with just the two of you or a handful of your nearest and dearest, I'd be absolutely honored to document your intimate ceremony.

Elopement packages start at 4 hours coverage, so get in touch if you'd like to learn more.

WE ARE UNCOMFORTABLE IN FRONT OF THE CAMERA.

I totally get that, most people are. This is why it's important for me to get to know you as a couple and help build that trust and comfortability so you can feel confident in all the love and joy that you'll experience. I try to create an atmosphere that leans into more natural movements rather than stoic poses you'd never actually be in.

WE DON'T WANT OUR PHOTOS ON SOCIAL MEDIA.

This is your wedding and if you are uncomfortable with your photos being shared online or anywhere else, I will respect that. Just give me a heads up about your requests.

WHAT HAPPENS IF DISASTER STRIKES AND YOU CAN'T BE THERE?

This has never happened to me (knock on wood). However, if it did, I have associates that will be able to step in. These are other talented photographers who will take good care of you.

DO YOU HAVE A PAYMENT PLAN?

Yes, we can organize to split your payments into monthly installments leading up to your wedding day. Just let me know if this would suit you.

CAN I PRINT MY PHOTOS?

Of course, I'd love for you to print your favorite photos! You can easily order photo prints through your online gallery.

WHAT IF I HAVE TO CANCEL OR MOVE MY BOOKING?

Life is complicated and the unexpected is to be expected. The deposit is non-refundable as this helps to protect my business due to turning away all other bookings for your wedding date. I hope you understand that deposit is insurance for my business to stay afloat in the event of a cancellation. If you need to move your date, there is a \$400 transfer fee.

DO YOU HAVE ANY VENDORS YOU RECOMMEND?

Yes, from years of experience in the wedding industry I have come to work with some of the top wedding vendors. I have a list of them that I can send you to check out!

If you would like a specific recommendation, just reach out and I'm sure I will have some suggestions I can send you.

LOVE NOTES & *Kind words*

"COULD NOT RECOMMEND ENOUGH!"

Wes did our wedding pictures and video...and let me just say...it was beyond anything we could've asked for! All the pictures were beautifully edited with a touch of nostalgia. He really got to know us and our faith, and produced a video that truly reflected that! All that to say, Wes was extremely fun and easy to work with. You won't be disappointed one bit! We will be treasuring our pictures and videos forever.

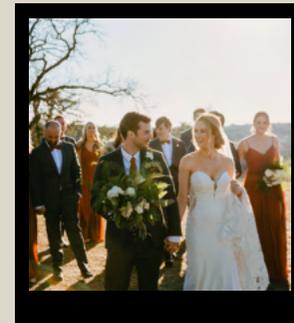

BELLA AND CLAYTON

"WES IS THOUGHTFUL, GIFTED, AND BURSTING WITH CREATIVE PASSION"

If you could see the amount of Wes' work proudly gracing close to every wall in our house, I think you would understand how good this guy is at his craft. His editing style is timeless and memorable. He was great at showcasing our true personalities with every shot. Thank you, Wes for sharing your gifting with us! We will treasure these stunning photos forever.

BEKAH AND DAKOTA

"WES WAS SO GREAT IN WORKING WITH OUR NEEDS"

Wes and his team were an amazing crew to work with for our wedding. My husband really wanted a "minimally filtered" yet professional (obviously) look to our photos to maintain a lot of the true colors of our day. I sent him deidentified screenshots of various galleries with various styles and Spark Joy was his immediate favorite.
