The TIMELESS WEDDING

The perfect package for elopements, daytime weddings, and people who only want coverage of the essential moments.

Weddings are changing, and we are here for it! With 6 continuous hours of wedding-day coverage, this package celebrates every essential step in your wedding journey. It is the perfect package for elopements and smaller weddings, as well as for couples who just don't want a full day of photos.

If you are interested in this package, or have any questions, please reach out! We'd love to discuss it more with you.

\$3600

One of our more popular packages, The Modern Wedding is an excellent package for couples who want a large part of their wedding day captured, all while keeping things simple.

The MODERN WEDDING

The perfect package for weddings that are taking place over one or two locations, and have a compact timeline, this package includes 8 hours of continuous coverage with one photographer.

From getting ready, through your first look, ceremony, portraits, and the start of your reception this package hits all of the major wedding day marks.

If you are interested in this package, or have any questions, please reach out! We'd love to discuss it more with you.

The most popular package, The Classic Wedding is a perfect all around package for couples who want to ensure that everything is captured, while reducing stress in their timeline.

\$4200

The CLASSIC WEDDING

This package is popular for a reason. It provides you of 8 hours of continuous coverage with two photographers, allowing us to literally be in two places at once. From capturing both of you getting ready for your big day, to candid of your guests during cocktail hour, to capturing those beautiful first dances and speeches.

If you are interested in this package, or have any questions, please reach out! We'd love to discuss it more with you.

\$5400

The ULTIMATE WEDDING

The package for those who don't want to miss a thing. Designed for couples who don't want to stress about any part of their timeline, while ensuring that every last detail and moment of their day is captured.

This packages provides you of 10 hours of continuous coverage from two photographers, allowing us to take our time and ensure every single detail you've worked so hard to plan is captured. Photography should never be the reason you are stressed about your wedding timeline, and with this package, it won't be!

From candid moments of getting ready surrounded by your loved ones, beautiful portraits with your new spouse, multiple angles of everyone celebrating your love at the ceremony, to candid moments of guests enjoying themselves at cocktail hour, and getting all of those awesome dance-floor shots you know you'll cherish forever, this package has it all.

If you are interested in this package, or have any questions, please reach out! We'd love to discuss it more with you.
