| 10x10 album with 15 images | _____ | \$750 |
| 12x12 album with 20 images | _____ | \$950 |

Want to add the high-resolution digital files of your album to your purchase? You can do so for only \$150!

Upgrade the size of any album for \$200. A 50% discount on additional albums is available when ordering two or more identical albums.

# HIGH RESOLUTION DIGITAL FILES

These files allow you to print them to your heart's content at any size for your own personal use. Please note - ALL clients will receive a complimentary social media file of any image ordered in product form, but those files are not optimized for printing. So, if you want to print, the high-resolution digital files are for you.

\*The number of photos delivered for each photography session will vary based on the nature of the session itself. Every session is unique, with its own moments, energy, and flow, which means the final count of images may differ. However, one thing you can count on is that you will always receive at least 30 images to review and choose from.
