

MATT GREEN
PHOTOGRAPHY

Hi, I'm Matt..

My vision is:

1. Fun and adventure filled with authentic meaningful moments
2. Storytelling images that capture the essence of your relationship
3. Quality in artistry and lighting/composition

I work best with couples who:

O1

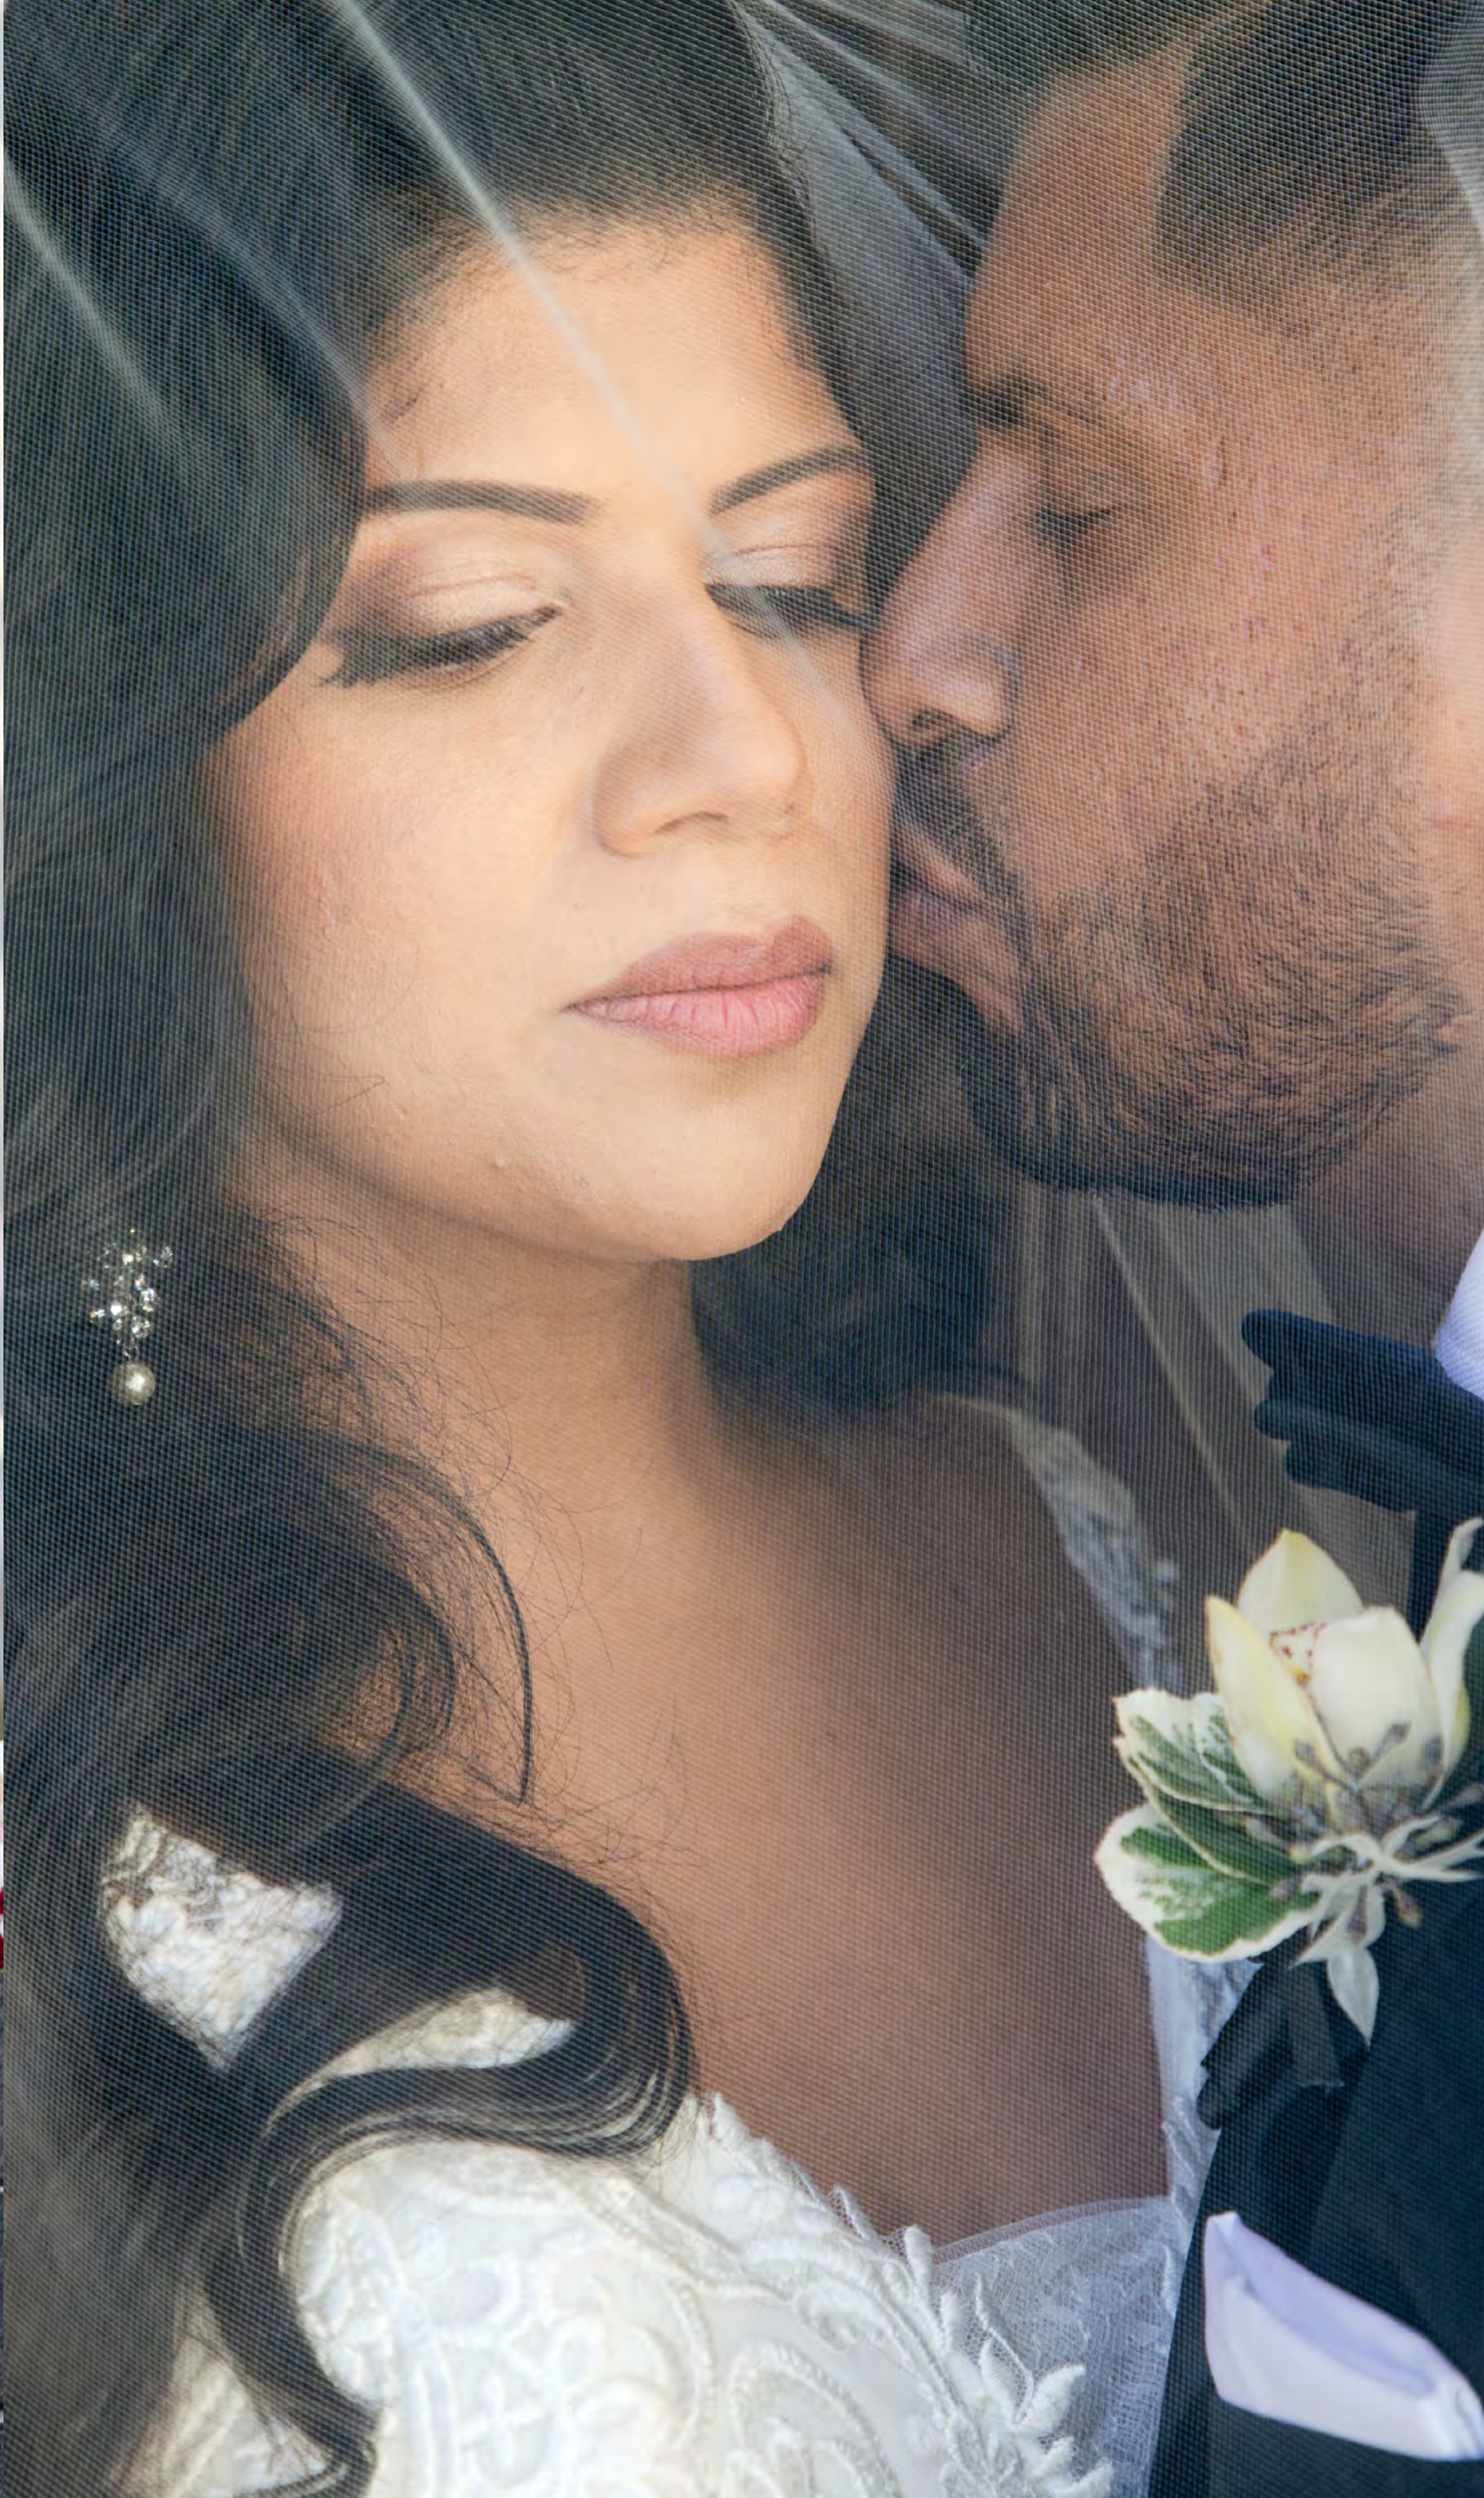

cherish the beauty of their
unique journey & are looking
for someone who can
capture their essence
comfortably & authentically

O2

have an organized
plan for the day, with
room for **fun/**
adventure

O3

have chosen a venue
as unique as you
and can't wait to see
the story unfold

My Process

The formula that provides
portfolio-worthy pictures + the
experience you read in our 5-star
google business reviews

I get to know you..

Why you fell in love, how you make each other laugh, how much grandma means to you, and that dad is definitely going to cry when he see you.

THIS IS WHAT MATTERS

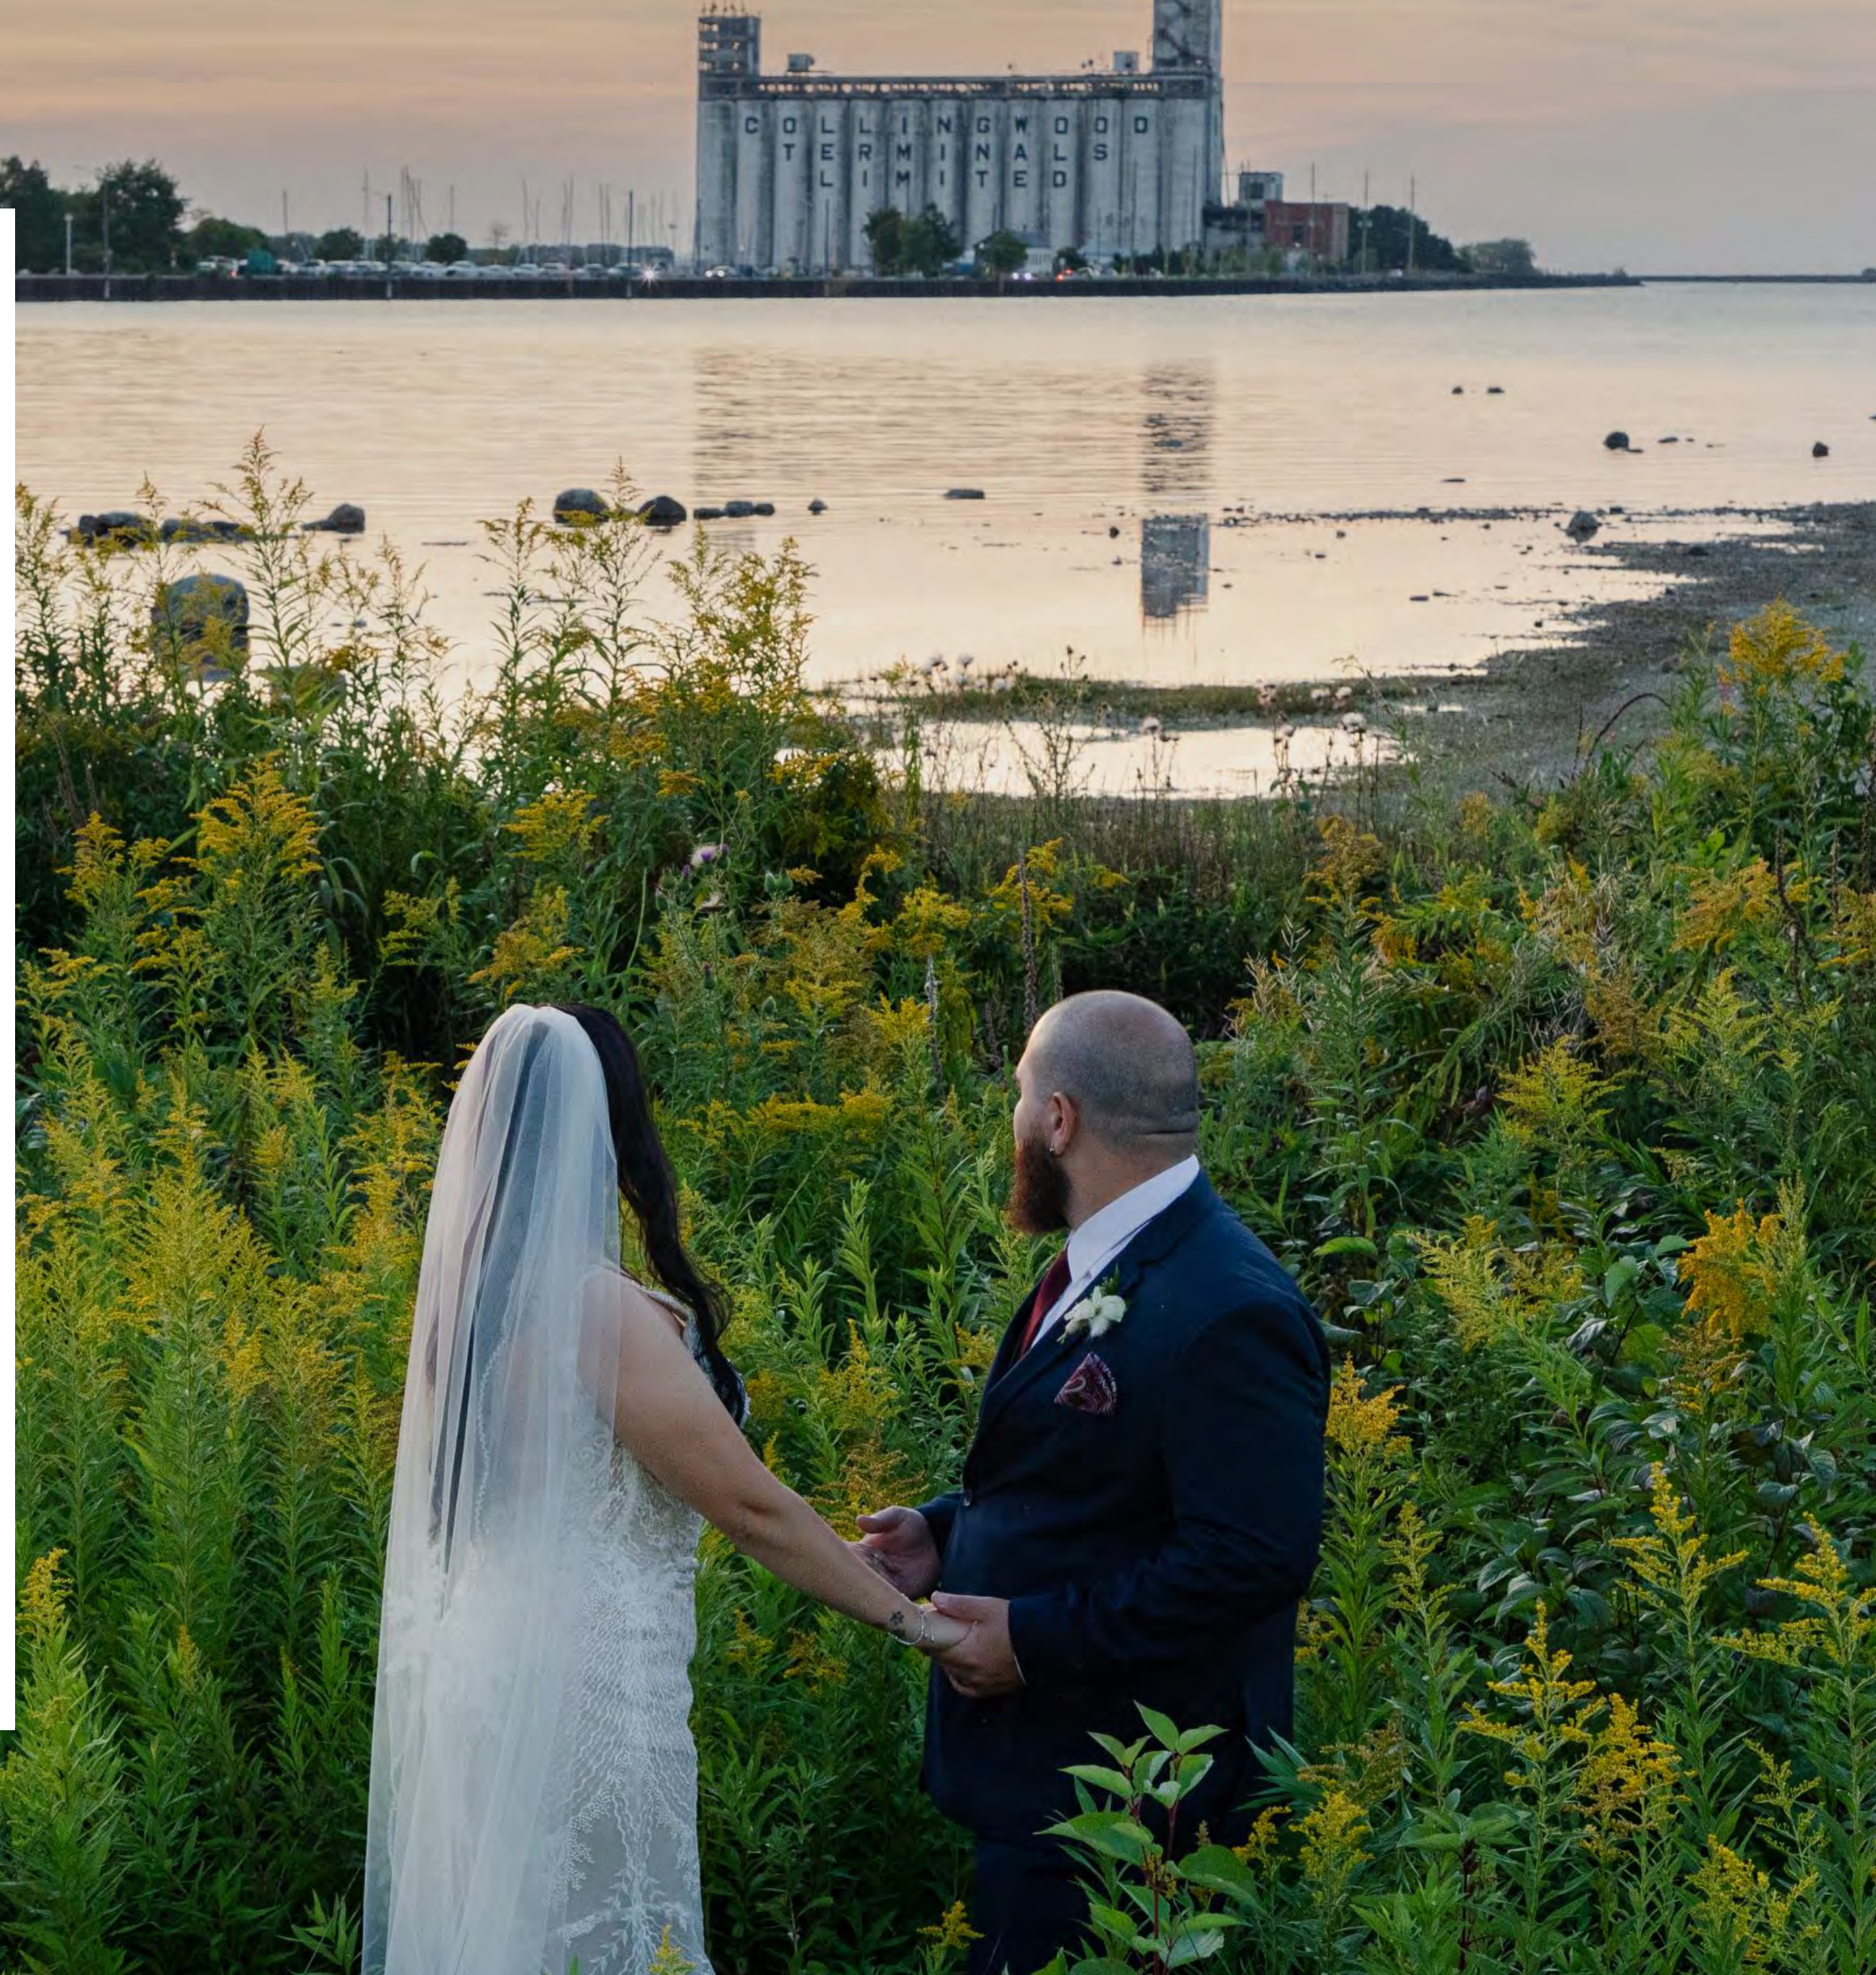

And this is what we'll capture. People you love, magical little moments you didn't even see + everything in between.

..I'll take care of logistics

The best picture locations are not always the most obvious...and figuring out timing can be tough. That's our expertise!

I'll create a unique plan with you in mind + a timeline to cover it all.

STEADY, NEVER STRESSED
