#### OUR PROMISE

## YOU KNOW YOU WANT GREAT IMAGES ...

But what you may not realize is that you need a great experience with your photographer more than anything! That is exactly what we promise to give you. Over and over and over again, FLP Couples rave about their experience almost more than their images! Why? Because in order to get those natural, genuine portraits that truly capture who you are, you have to feel comfortable with the person taking them. The way you feel while you are having your portraits taken heavily influences how you feel when you see yourself in the final images. We have worked with over 100 FLP Couples over the last 8 years and I can honestly say it is 100% possible to love how you look in your images if you feel comfortable while having them taken! Creating comfortable, joyful and genuine client experiences is what we specialize in and we are excited to share more about what the FLP Experience includes!

## THE EXPERIENCE

# What is included in our wedding experience and why:

We have structured our wedding experience very intentionally. Everything we offer and recommend is a strategic part of an overall experience that leads to what our FLP Couples ultimately desire: genuine, timeless and joyful images. Our most intentional aspects of the FL Wedding Experience include:

### 8 HOUR MINIMUM

We have found that for a traditional wedding day, we need a minimum of 8 hours to capture the full story of your day with a stress-free timeline.

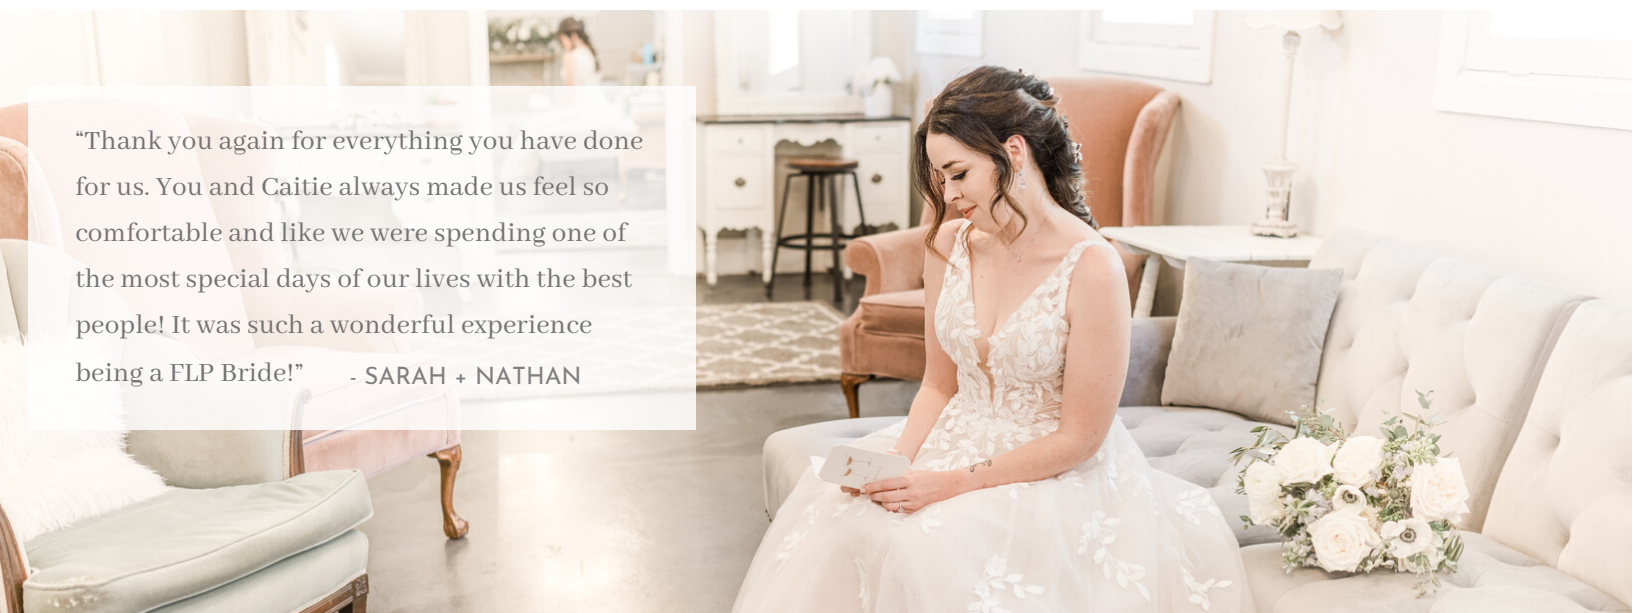

### complimentary ENGAGEMENT SESSION

We include an engagement session complimentary because this is our opportunity to get to know you and empower you to feel comfortable in front of the camera.

### SECOND PHOTOGRAPHER

Caitie is a non-negotiable part of our wedding experience! Groomsmen rave about her effortless ability to make everyone feel like an old friend. The FL P Wedding Experience wouldn't be complete without her!

STEPHEN + SAMMY

“Tamela and her team are exceptional! She’s truly become a great friend since shooting our wedding in 2017. Since then she’s captured other family moments for us. I’ve recommended her to multiple friends and they have loved her as well! She’s professional, fun, talented beyond measure, and a true joy to add to your wedding (she cried at mine, if that’s not a dedicated photographer, I don’t know what is!) - Sammy

## *Envision this....*

Your wedding has happened. It was beautiful and everything you dreamed it would be. Instead of just downloading your images to your hard drive and sharing a link with your family and friends, you take it a step further and you invested in a family heirloom keepsake that tells the story of the day you began your life together as husband and wife. Your wedding is literally the beginning of your new family unit! Now, try to fast forward even further and envision yourself sitting in your future living room with your future four year old and he/she is asking questions about when you got married. You look at them and say, "Hold on one minute, ok?" and you grab your legacy album. As you flip through the pages, half of the album in your lap and the other half in theirs.... your child notices aunts, uncles and grandparents celebrating with you on your wedding day. If your future child is anything like ours, they will be in awe of these old pictures. When our daughter, Michaela was four years old, I sat down with her and showed her our wedding album for the first time and she flipped through the pages for half an hour, just taking it all in. It was as if I had given her a peek into a part of our story that she hadn't comprehended yet and it was beautiful. Legacy albums aren't for you, they are for those that come after you. What a beautiful gift to hand down to future generations!

# Frequently asked questions:

## WHAT IS OUR SHOOTING STYLE?

We love being both interactive and discrete throughout the wedding day. There will be parts of the wedding day when I will need to be in control in order to accomplish everything that needs to be done in order to keep everyone on schedule. There will also be moments when you shouldn't even know that I'm there. (The ceremony, during dances and toasts, etc.) We teach our couples how to pose and interact during their engagement session so they are naturals on the wedding day and don't need quite as much instruction from us!

## ENGAGEMENT TRAVEL?

We are more than willing to travel for engagement sessions! We actually love it when our couples ask us to photograph them in a location that means something special to them! We book engagement sessions at least three months in advance and include 60 miles of travel.

## HOW MANY IMAGES CAN I EXPECT?

We average 50-75 final images per hour that we're actively shooting throughout the day. This estimate is normally on the lower side since we tend to be over-shooters. We love delivering our client's files quickly and easily via an online gallery. You will have the ability to print, share and download your images as much as you want. We believe in freely sharing our work because that is what we would want if we were in your shoes!

CASEY + PHAELA

"Tamela will always be a part of our love story the moment we got engaged. She exudes genuine love and care for her craft and for her clients. She did our engagement shoot and did our wedding so beautifully. I as the bride definitely appreciated her hugs and pieces of advice and calm support all whilst doing her job. No words can describe how much we are so grateful to work with her." - Phaela

# Thank You!

I'm so glad you contacted me! Enjoy this new season of engagement! Plan and prepare but always remember that when it's all said and done, all the food, the florals and the details will fade away. Once your the last song is played and you exit your reception, you'll begin your new chapter as husband and wife and you'll have your photos to remember the day it all began. Congratulations on your engagement and I look forward to hearing from you!

*Xoxo, Tamela*
