

Called to Serve the King Together

Philippians 1:1-2

SERMON DATE: 9-8-2024

INTRODUCTORY QUESTION:

Q: Share some of the pivotal moments in your life, where the entire course of your life changed (for good or bad).

PRAYER

FOR GROUP DISCUSSION:

Q: As Pastor Carey described the chasm between us and God, due to the “otherness” of His very nature, what did you feel? (Amazed? Humble? Grateful? In Awe? Something else?)

Q: Discuss the realities behind why every human being needs the grace and peace of God – and why Jesus is the only means through which they are possible?

Q: What role does the church family play in each of us continuing to receive the grace and peace of God, through Jesus? Are there ways you need to increase your participation? Your service to others? Your intentionality to be an instrument God uses in the lives of others?

PRAYER OF COMMITMENT:

As a group, pray for God's work to be done in the GracePoint family. Be sure to include the ways you desire to discover each of your parts in those plans.
