CHRISTINE
DANAE

Welcome Friends!

My name is Christine and I am the face behind Christine Danae Photography!

I'm so honored that you found me in your search for a wedding photographer. Here's a little about me before we move forward!

- I am a military wife to Stephen as of April 2024!
- I live in Westfield but I LOVE to travel.
- I am a coffee addict and I have to have at least 1 cup a day (sometimes 2 or 3)
- I started my sourdough journey in January of 2024 and I'm still mind blown that I can make bread!
- I am a hard core extrovert and LOVE being around people! Even more, I love capturing candid moments in photo form.
- I started this little business of mine over 10 years ago and went full time with it in 2022!
- I absolutely love photographing weddings and I have been honored to capture 50+ love stories.

THINGS TO CONSIDER:

Your wedding photographer(s) will be spending most, if not all, of your day with you, so finding someone you really like and get along well with is of utmost importance. More than making sure that you simply like their style, you want to make sure that you'll **ENJOY** being with them and that your personalities mesh well together.

On the note of photo style...

I create candid and timeless photos with a light + airy and true to color editing style. That means that I'll give you posing instructions but let you take over the natural movement so that you don't feel stiff. The photos will also look raw and genuine. It can be awkward at first, but that's totally normal! I'm also intentional about the locations I place you in so that you don't get weird shadows on your face or distractions in the background. I want you to love how you feel in the photos because that will ultimately affect how you love the photos too!

MY PROCESS:

Because I want to make sure that our personalities are a good fit, and that you know exactly what to expect when working with me, I always schedule a consultation (which usually lasts 30-45 minutes) before you book. We get to know each other a little bit and discuss your vision for your wedding day so that we make sure we're a good fit and you book the best package! If you decide to move forward after we meet (either in person if you're local or on Zoom/FaceTime) you'll sign an online contract and put a 25% deposit down! Then we get to start planning your engagement photos and curating your wedding timeline! You may even get a surprise from me ;) I love sharing in any excitement along the way with you and I'm happy to help!!

If you like what you see here, go ahead and fill out the contact form to get started! I can't wait to hear from you!
