

GLITTER GALA

We invite you to join Unravel Pediatric Cancer Foundation in making a difference in the lives of pediatric cancer patients. Our annual Glitter Gala: Remember, Relive, Revive, is taking place on October 12th at The Palo Alto Event Center. This premier event brings together a community of dedicated individuals who are committed to accelerating the discovery of new treatments and improving the lives of pediatric cancer patients.

As a 501(c)(3) organization, Unravel is dedicated to accelerating innovative pediatric cancer research to develop more effective and targeted therapies. Unfortunately, pediatric cancer patients face significant challenges due to the lack of early detection tests and insufficient federal funding for research. Many treatments currently used for children were developed for adults, and adult and childhood cancers have distinct differences in development and progression.

By sponsoring our Glitter Gala, you will be contributing to the acceleration of innovative research and treatment development. Your sponsorship will help us raise critical funds to support our mission and make a meaningful impact in the lives of pediatric cancer patients.

In the past decade, thanks to supporters like you, Unravel has raised over \$10 million towards the fight against pediatric cancer research. We believe that with your support, we can make an even greater impact this year. To become a sponsor, please scan the QR code and sign up online or complete the procurement form attached and return it via email or regular mail by August 5, 2024.

We would be delighted to discuss how your sponsorship can make a difference in the lives of pediatric cancer patients. Please do not hesitate to reach out to me with any questions or to learn more about our mission.

Thank you for considering our request,

Gibby : Tony

Co-Founders and Jennifer's Parents
