FREQUENTLY ASKED QUESTIONS

What is a Wedding/Event Content Creator?

A Wedding + Event Content Creator captures all the raw, behind-the-scenes moments of your big day so you can truly be present in the moment while I do all the work. I'll take as many photos and video clips throughout the day, then I'll deliver all the photos/video + Reels/Tik-Tok clips taken within 24 hours.

Do your services replace a photographer or videographer?

Nope! A photographer or a videographer are still two crucial vendors to include on your team of pros, wedding content creators capture iPhone content throughout your wedding day. I work in tandem with your photographer, snapping BTS candids you'll have access to in 24 hours, or I can manage your social profiles while you're preoccupied with your event! I act as an added bonus!

Do you travel outside of Texas?

Yes! When traveling for a couple, I ask that 2 nights of accommodations + airfare are provided to and from the event. If the the event location is within driving distance, gas fees + accommodations will be determined on a case by case basis.

How soon can you get the content back to me?
