Try-It Trends

"The ideal shade for my fair skin."

—Tina Anderson, Photo Director

BareMinerals Invisible Bronze Powder Bronzer in Fair to Light, bareminerals.com, \$28

"I'm not one to shy away from sparkle and shine—the subtle pink flecks create a luminous glow."

—Daley Quinn, Assistant Beauty & Fashion Editor

Mark. by Avon Glow Together Hook Up Bronzing Powder in Sunrise, avon.com, \$18

"I've been loyal to this powder for years—and for a beauty editor, that's pretty rare! It has just the right amount of glowing shimmer, not actual sparkle."

—Dori Price, Beauty & Fashion Director

Tarte Amazonian Clay Waterproof Bronzer in Park Avenue Princess, tarte.com, \$30

"A super-versatile shade that works perfectly whether I'm winter pale or summer tan."

—Zoë Roscoe, Associate Beauty & Fashion Editor

CoverGirl TruBlend Bronzer in Bronze 200, drugstores, \$8

Our Obsessions BRONZER

"This was the first bronzer I'd ever used, and I remember saving up as a teen to buy it. I still love it to this day."

—Regina Ragone, Food Director
Guerlain Limited-Edition Terracotta Collector in Ultra Shine, neimanmarcus.com, \$61
