## SELF-LOVE & EMBODIMENT COACH

FOR WOMEN WITH A SELF-CARE CUP TO FILL AND A  
PURPOSE-FUELED FLAME TO IGNITE

*Okay, but...*

### WHAT DOES “SELF-LOVE + EMBODIMENT COACH” REALLY MEAN?

*As an embodiment and self-love coach, I get to support women in manifesting what they want through PLEASURE.*

Now, before we dive any deeper, let's get this one thing straight—when I say, “pleasure,” I'm NOT just talking about Sexy Town.

Don't get me wrong—I fully encourage you to visit Sexy Town as often as you like (ALL forms of pleasure are your birthright!), but there is more to it...

***Pleasure\** (noun):**

1 | to experience a state of full mind, body, and soul bliss.

example: A life fueled by passion and pleasure is every woman's birthright.

2 | a self-love practice with benefits applicable to every aspect of life.

example: Once Madeline started to make pleasure a priority in her life, she became one not only with her body but with the universe.

3 | honoring ALL emotions (even the not-so-nice ones) to the fullest expression of this entire human experience.

## THERE'S NO ONE LIKE YOU ON THIS EARTH THAT CAN SHINE THAT LIGHT SO MUTHAF\*CKIN' BRIGHT...

When a woman is aglow in her feminine energy, she attracts.  
She manifests.  
She draws to her what she needs. And what she desires.

But let's be real—living as your most authentic self can be freaking hard! It requires you to reinvent and play in the face of your biggest, most stubborn blocks. It's riddled with vulnerability, trauma, exposure, and conscious work to heal your inner child. And, sometimes, it's a roller coaster ride you just don't wanna be on. But the good news is, you don't have to do it alone.

## I BELIEVE ALL WOMEN HAVE A DEEP, PASSIONATE DESIRE THAT LIVES INSIDE OF THEM, WAITING TO BE UNLEASHED.

When women truly connect to their bodies, they can fully access this power—allowing them to radiate authentic confidence, purposeful empowerment, and embodied femininity throughout the world.

### How We Got Here...

Grateful.

That's how I feel about the hardships and struggles I have faced throughout my life.

Why?

Because they have taught me to become resilient and a leader. It has all been for me.

Through the dark (not always pleasant) depths of facing pain such as abandonment, shame, fear, rejection, I have come out on the other side. Here, I have found joy, wonder, gratitude, freedom, courage, and connection.

When I lean into my joy, my passion, and my authenticity, everything is possible.

And my greatest passion is helping other women do the same.

### Fun Facts

→ The name Megumi means "from the heart" in Japanese—this is a mantra I am committed to living by!

→ Orcas and horses are my favorite animals. I've been kissed by an Orca, and I've swam with horses in the Jamaican waters.

→ I'm obsessed with dill pickles, and the moment I found dill pickle potato chips, it was a match made in Heaven!
