WHAT TO EXPECT?

"I have no idea what I'm doing in front of a camera."

If this is you, no worries! We'll do a mixture of posed photos and prompted photos where I'll give you an action (walking, spinning, etc.) to get a good range of poses and genuine reactions.

I believe in "If you feel awkward, you look awkward," so I'll never make you stand in poses you don't feel good in. If we go into a pose or do a motion that feels unnatural, we can always find an alternative that looks just as good! :)

If you have specific poses you want, please let me know! More than anything else I want you to have photos you love, so if you know what you want, please tell me!

I'm so excited for you!!

MEET THE PHOTOG:

I'm Rebecca! Lover of Life!

And also a photographer too, but mainly that first one :)

I am passionate about the beauty of life and the belief that every story is with remembering. When I shoot, I strive to celebrate the beauty of life's moments, knowing laughter and connection are as important as the images we create.

I am also the owner & principal photographer of Rebecca Warren Photography. I absolutely adore my job and am so blessed to get to work with such wonderful people each day!

Based out of Louisiana, I've been shooting for over five years now. There isn't a day that goes by that I don't have my camera and tripod in-tow!

Don't hesitate to get in touch!

FAQ:

Q: How do you handle payment?

A: Payment can be made anytime from booking to the day before the shoot—no deposit required.

You can pay via a secure payment portal (link will be provided). Cash payments are accepted the day of the shoot as well.

Q: How will photos be delivered?

A: I'll send you a shareable link to a digital gallery where you can view, download, and share your photos with family and friends—no download limits!

Q: How long until I receive photos?

A: My typical turnaround time is two weeks. If you have not received photos two weeks from the date of the shoot, please shoot me a message!

Q: What if it's supposed to rain the day of the shoot?

A: As we know in lovely Louisiana, weather changes quickly. I'll check in with you 2-3 day(s) before the shoot to make sure the weather looks good.

If it does rain on the day of the shoot, we will find a day to reschedule the session. Weather does sometimes happen, but I am always flexible in adapting to the situation.

Q: Do you retouch all the images?

A: All delivered images will be lightly retouched to address blemishes, stray straps/clothes, anything distracting in the photo, etc.

I do not generally remove scars, moles, or tattoos unless requested.

MORE FAQ

Q: Where will we meet?

A: When you decide what location(s) you want, we'll make a plan for where to meet and a good order for the locations (if doing a 30 minute shoot).

Q: Can I bring someone with me to the shoot?

A: Of Course! Many seniors bring a friend or their parents to help carry outfits/hype you up. I love having the extra energy during a shoot!

If you plan to bring a friend, a heads-up is not required but is appreciated!

Q: Where will I change during the shoot?

A: Usually, the buildings on campus are open so it's not too hard to find an open bathroom to change in. If there are no open buildings, I have a pop-up changing tent that can be put up anywhere to change!

Q: Do you offer prints?

A: Yes! Once you receive a gallery link, in the top bar of the gallery you should see both "Print Store" and "Cart". Both of these will bring you to a print store where you can select images and specific photo sizes to be printed and shipped to you.

I can't wait
