## MEET ARIANNA (ARI)

---

I'm Arianna, the owner & head photographer of Arianna Belle Photography. I love being able to share in the love of two individuals and feel blessed to get to work with such wonderful people each day!

Based out of Richmond, VA, I've been shooting weddings for over five years now. I've been carrying around a camera with me ever since I was 14!

After graduating from Virginia Commonwealth University in Richmond, with a degree in social work, I went full time documenting weddings along with other moments like engagements, boudoir + family sessions! Along with photography I founded a Women's Retreat focused on healing, self love, and unplugging in nature.

## YOU HAVE QUESTIONS

---

Q: What sets you apart from other photographers?

A: I believe in capturing authentic moments of love and joy so in the years to come, you can look back on these photos and have a rush of the same feelings come back!

I don't only want to be your photographer - I want to be your friend, to help guide you through this process and be there for you to laugh with, cry with, and talk with.

I will make sure to take the photos that REALLY matter - the ones that show the REAL YOU!! Don't worry about feeling awkward either - I will guide and prompt you throughout all of the portraits!

Q: Will we get the print release to our photos after our wedding?

A: Yes! Upon receiving your images, you will also get a full print release.

Q: How many photographers will be there at our wedding?

A: Depends on which package you choose! I highly recommend adding a 2nd photographer to capture different moments alongside me.

Q: Will my photos be posted publicly on your site or social media?

A: Unless you tell me not to I 100% will post your images! I respect your privacy and allow each client to decide whether or not they want their photos displayed publicly. I'd love to show off you & your images, if you're game! If not, that's okay, too.

Q: Will our photos get featured in a magazine or blog?

A: While many of our sessions do get featured, this isn't something that is guaranteed. Most publishers are interested in uniquely designed weddings.

Q: Will you Photoshop my images to hide any unwanted spots, wrinkles, etc?

A: Minor edits will be made to all of your images, but I believe our imperfections are what make us beautiful & unique. If there are specific edits you want, these will be charged according to the number and complexity of edits.

## I HAVE ANSWERS

---

Q: Do you have a list of preferred vendors to use?

A: Yes! From wedding planners to florists and caterers, we have worked with some of the best companies in the industry & would love to share their information with you!

Q: Do I have to order prints through you?

A: I highly recommend ordering prints through one of my professional vendors, but it isn't required. The difference in quality is huge when it comes to ordering through a professional lab, so I always love to help with prints! My packages also have built in credits towards products because I believe it is important to print your photos so you can see them hung up in your home, or flip through the pages of a beautifully designed heirloom album.

Q: What equipment do you use?

A: I use all of the latest Nikon + Sony equipment. I always carry the Nikon Z7ii, the 35 mm lens, 105 mm lens, & the 50mm lens, among other items.

Q: Do you photograph destination weddings?

A: Yes! I've shot dozens of destination weddings and have packages for USA travel destination as well as destinations abroad!

Q: Are the people featured on your site models?

A: For the most part, no. While I am lucky enough to work with gorgeous clients, the majority of the images shown on my site and blog are of regular, paying clients.

Q: How do we reserve our wedding date?

A: A 50% deposit & signed contract is required in order to get your wedding on the calendar. The remainder of your balance is due two weeks prior to your wedding. I also have a couple other payment plan options.
