Emma Dee

Hello

Welcome! I'm sure your mind is racing with all that needs to be planned. It's all very exciting , but it can also be somewhat overwhelming. You're planning the day that you've been anticipating your whole life and yet you only get one shot at it! By the time you get the hang of it, the planning is over! My goal as a wedding photographer is to make this one aspect of the planning process simple. Photography is more than just images, it's a real part of your day. Not only do you deserve beautiful images, you also deserve an amazing photographic experience. My main goal is to help you plan your wedding day in a way that will allow me to provide you with the BEST experience possible. Client education is one of my biggest priorities for every one of my couples. I love to be a resource to everyone who hires me for their big day!

ENGAGEMENT STYLE GUIDE

FOR COUPLES NOT BOOKING A WEDDING COLLECTION

FREQUENTLY ASKED QUESTIONS

WE'VE ALREADY HAD AN ENGAGEMENT SESSION. CAN WE GET A DISCOUNT IF WE DON'T NEED ONE?

All of my wedding packages include complimentary engagement sessions. Engagement sessions are so important to me because my business thrives off of my client relationships. I recommend regardless if you've had them taken already to still do an engagement session with your wedding photographer! Since they are complimentary, I cannot offer a discount.

DO YOU OFFER PAYMENT PLANS?

YES! As a recent bride to be myself, I understand how overwhelming the wedding budget can be. All I require is a 30% retainer and the remaining balance can be split into as many payments as you would like. I've had clients do monthly, bimonthly, or split it into 3 equal payments. There's no additional charge. As long as the final payment is paid the month prior to the big day, we are all set!

HOW LONG UNTIL WE GET OUR PHOTOS?

I promise engagement galleries within 2 weeks and wedding galleries within 8 weeks!
