

Thank You

Through our core values of dignity, compassion, stewardship, and community we serve our neighbors. Our opportunities for bringing food security to others is only made possible through partnerships and other local resources. We can't simply food bank our way out of food insecurity. We thank each person who has thought of us, contributed to our mission, entrusted us with resources, partnered, donated, and volunteered.

The Storehouse serves thousands of pounds of food each month, partners with outside programs, welcomes hundreds of families to our in-store shopping and utilizes United Way of King County's home delivery to bring food to the doorstep of our neighbors. Offsetting food costs can help individuals feel more secure in paying for gas to get to work, utility bills to keep the heat on, childcare costs, and medical bills. We are proud to partner, take action and serve others. Thank you for being part of our mission and vision.
