CAPABILITY STATEMENT

REWILD WORK STRATEGIES

Is a boutique consultancy with a mission to help you design and build a workplace ecosystem that drives strategic innovation, purpose, and well-being for employees, clients, and our planet. We are powered by an exclusive network of experienced ex-Fortune 100 strategists, consultants, researchers, executives, and coaches.

EXPERIENCE

Current and past clients

Walmart, Toyota, Waymo (Alphabet), Nike, KPMG, HP, small and medium startups.

Industries served

Technology/Engineering Teams, Retail, Professional Services, Government, Healthcare, Hospitality and Automotive.

TESTIMONIALS

"Brittney helped our team develop a great employee experience strategy at our early stage startup, she showed us concrete ways to improve employee well-being and productivity. It works!" - Julie, Head of Operations, Walmart Store No. 8

"I loved our leadership development workshop. I keep reflecting on how wonderful it was. My biggest takeaway was just how special our team is and how much vulnerability opens up opportunities and connection." - Josie, Nike Apparel Innovation

CORE COMPETENCIES

LEADERSHIP GROWTH AND DEVELOPMENT

For Teams and Individuals

Our approach to leadership and development is rooted in cutting-edge research and immersive team experiences designed to create sustainable change that honors the unique needs and cultural values of our clients. We specialize in bespoke trainings and 1:1 coaching programs at scale.

ORGANIZATIONAL CHANGE

Workplace Strategy & Design, Future of Work, Change Management

From strategic projects to communications, we provide comprehensive solutions that drive your organization's growth and success in our post-pandemic working world. Our consulting services guide you through strategic change and help you thrive in the future of work.

STRATEGIC INNOVATION PROJECTS

Visioning, Imaginal, Wild

Take your digital and physical products, services, and experiences to the next level. Our design approach is rooted in creativity, intuition, and real-world startup experience. We provide out-of-the-box thinking to help you innovate and develop breakthrough ideas. Let us be your muse.

TEAM EFFECTIVENESS

People, Culture Change, HR, Bespoke Team Effectiveness Workshops

Culture eats strategy for breakfast. We partner with conscious leaders committed to culture transformation across the landscape of work (life). From defining team values to personality assessments and customized workshops, we walk with you every step of the way.
