

Architectural Interior Designer

Join a Creative, Collaborative Studio with Flexibility and Purpose

Why Work with Crosby Design Group?

At Crosby Design Group (CDG), we believe great design starts with a great environment—for both our clients and our team. With CDG, you'll enjoy the freedom and flexibility to shape your career, contribute meaningfully to inspiring projects, and collaborate with a talented team that's passionate about design and creativity.

Founded in 2000 by Jennifer Crosby, our boutique studio has grown into a respected, full-service interior design firm specializing in both Commercial and Residential development. Our culture blends high design standards with a warm, collaborative atmosphere. We believe in empowering entrepreneurial spirited designers while providing the support and resources needed to thrive.

Our Commercial Studio, located just off Piedmont Park in Midtown Atlanta, is known for producing high-end work across the Southeast in a wide variety of project types—and we're looking for experienced talent to take the lead and grow with us.

Why You'll Love Working with Us:

- **Flexibility:** Enjoy remote work options, manage your own schedule while meeting client deadlines and expectations, and achieve a true work-life balance while staying accountable.
- **Creative Contributor:** Take the lead on your projects, from concept through completion—your vision and voice matter. We value your expertise and creativity. In our collaborative studio, we encourage designers to contribute their unique design vision.
- **Supportive Culture:** Join a collaborative, friendly, and respectful team that celebrates design and innovation. With open communication and a team-oriented atmosphere, you'll always have support—whether it's through the creative resources of the CDG Studio or the dedicated assistance of the CDG Admin team.
- **Leadership Opportunity:** Lead CDG projects while mentoring and guiding junior designers.
- **Project Diversity:** Work on multifamily, high-rise condos, adaptive reuse, 55+, student housing, hospitality developments and more.
- **Professional Growth:** Expand your skills with continuing education, industry events, and hands-on experience in all phases of design. You'll have the opportunity to collaborate with top-tier clients and be part of innovative, high-impact designs.
- **Strong Reputation and Network:** Working with a respected firm like Crosby Design Group opens doors to building your professional reputation and expanding your network. You'll have the opportunity to work with high-profile clients and industry professionals who value quality and innovation.
- **Compensation:** Competitive pay, based on experience, skills, and the quality of work you bring to the table — with the added benefit of getting paid for every hour you work.

**About the Role:**

We're looking for an experienced **Architectural Interior Designer** to lead commercial projects with confidence, creativity, and strategic thinking. You'll be the point person on Crosby Design Group projects—collaborating to set the vision, managing timelines and deliverables, and working closely with internal and external partners to bring concepts to life.

Your Responsibilities Will Include:

- Leading projects from concept design to construction administration
- Developing detailed, innovative solutions that meet budget requirements as well as ADA and safety codes
- Mentoring junior design staff throughout the design process –reviewing work, providing feedback, and helping guide their growth.
- Researching and selecting appropriate finishes and materials for commercial applications that align with project budgets and durability standards
- Creating polished presentations and presenting to clients, property management and equity partners.
- Producing full construction documents in Revit using established industry and company standards
- Reviewing submittals, RFIs, and construction progress
- Coordinating with clients, consultants, and internal teams
- Traveling to client meetings and job sites as needed (local and occasional out-of-state) with eligible travel expenses reimbursed by CDG.
- Keeping up with current trends, materials, and industry innovations
- Thrive in a collaborative, fast-paced environment while staying self-motivated and meeting project deadlines

We're Looking for Someone Who Has:

- A professional degree in Interior Design
- 3–4+ years of Commercial Interior Design experience
- Strong leadership and organizational skills
- Confidence in managing junior team members and guiding project workflow
- Proficiency in Revit is required
- Skilled in Bluebeam, AutoCAD, BIM360, Adobe Creative Suite, and Microsoft Office Suite
- Exceptional time management
- Excellent communication and presentation skills
- Strong space planning ability and design sensibility
- A positive, self-motivated and proactive mindset with a collaborative spirit
- A passion for continued learning and professional development, conferences, and trade shows
- Interest in 1099 Independent Contract opportunities
