### Who's behind Alpha Recoding?

That would be me, Anna-Christina. I'm the go-to business strategist for high-achieving millennials running a service-based business they're ready to take to the next level.

Whether you're a second or third-generation entrepreneur taking over the family business or you're simply starting from scratch and building a biz with (and for!) your family, I've got your back.

Together, we straighten out your processes and finances so you can sustain a booming biz that allows you to make more while doing less.
