We are thankful to be **DONE** with construction (almost), and officially moved into our new location. We have a lot of unpacking and decorating to do, but we sure appreciated your kind words when we finally got to give everyone a tour! We are so thankful for all of our parents and how patient you have been throughout this whole process! Thank you from the bottom of our hearts!

CELEBRATING THIS GEM

OLIVIA

Words cannot describe how precious and darling sweet, Miss Olivia is 🥰. She has the brightest, most joyful, spirit. She brings happiness 😊 and laughter 😂 to every space she enters and she leaves a little sparkle wherever she goes ✨. She has the MOST amazing parents who are the best teammates and collaborators you could ask for. She is a true gem 💎 and Ms. Abby could not be more lucky or thankful to have Olivia in her life! We love you ❤️ and are so incredibly proud 🥰 of all your hard work in OT!
