Fall OSSLT Complete

In the month of November, TIA prepared for the Ontario Secondary School Literacy Test (OSSLT). The OSSLT is a mandatory English proficiency test needed to graduate with an Ontario Secondary School Diploma (OSSD). Ms. Shiesta assisted students with practice tests, going over what they should expect for the standard test. We corrected their reading comprehension and writing answers one-on-one. Many international students came to TIA to improve their English. We wish students the best of luck on their test!

IELTS test on TIA campus.

On November 16, TIA held the IELTS test on campus. All international students applying to universities or colleges need an IELTS test score for proof of English Language Proficiency. The goal for many students was to achieve an overall score of 6.5 with no band below 6.0. Students that don't meet their goals can retake the IELTS test with TIA again.

Sports Time at TIA!

On November 22, TIA held a Sports Day at the United Soccer Centre. Staff and students went to United Soccer from 1:00pm - 3:00pm and played soccer and badminton. As the weather gets colder, we want to maintain good health and wellness through regular exercise, and build camaraderie through competitive games.
