Frequently Asked Questions

Q. When is Check in and Check out for the overnight spaces?

Check-in to the overnight spaces is 3:00 p.m. and check out is 11:00 a.m. Electronic door codes are provided for easy self-access to the spaces that you have reserved.

Q. Can we host a rehearsal dinner or an after-party in the overnight accommodation spaces before or after the wedding?

No! We do not permit gatherings, rehearsal dinners or after-parties in the overnight spaces at Willowbrook due to past damages that were extensive. Rehearsal dinners can be held on property throughout the grounds and venue spaces, but require our exclusive catering and event services. No off-premise catering is permitted.

Q. Are we permitted to use the overnight spaces as a getting ready space for the wedding day with professional hair and make-up services?

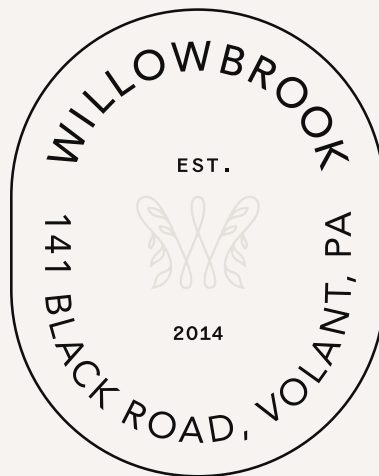

No! We do not permit the overnight spaces to be used as getting ready spaces due to the damages to table tops, rugs, flooring, and other house hold surfaces inherent to a living space not made to withstand the repeated interaction with professional aerosol sprays, spray tans or air brush make-up, hot tools, and the like. Our complimentary cottage preparation suites have been designed with tough surfaces and flooring for this reason.

Q. Are pets permitted to stay in the overnight accommodations with us?

No! Unfortunately, due to previous extreme damages and destruction of furnishings and window coverings, we no longer permit pets to stay overnight in the accommodations. Pets ARE welcome on property for the wedding day under the guidelines specified in our venue rental contract.

Q. Do you offer personal chef services or a room service menu for the overnight spaces?

Yes! We offer a full Lunch & Brunch menu with snacks as well for delivery to any of the on-property spaces for your dining pleasure. Pre-order is required to ensure that staffing and food products are available should your stay be coinciding with wedding services taking place on property. Personal chef services are also available in the overnight spaces with full kitchens, and must be arranged prior to your stay.

We are always here to assist you!
