THESOMEWHERE TRAVEL.COM

A Note from Jace

Somewhere Travel Co. specializes in vacations that are flawlessly designed and genuinely memorable. Not the kind you forget about a week later—the kind you're *still* talking about next year.

As a concierge-level travel advisor, I provide hands-on service built around two things: ease and excitement. Analysis paralysis and endless scrolling at 2am? *Not happening here.*

If you're ready to experience travel that's seamless, curated to your preferences, and actually stress-free, you're in the right place. I'll protect your investment and well-being from vision to departure (because nobody needs a vacation that feels like work).

Thank you for trusting me with your time away—let's turn that dream vacation into reality.

CHEERS!

Jace Tarbell

Founder, Somewhere Travel Co.

My Focus

There's no single definition of a perfect journey. At Somewhere Travel Co., I'm not scouring booking sites for the lowest fare. My clients seek thoughtful, elevated vacations—they're *in it for the memories*, not the bargain. I don't specialize in just one destination. I focus on matching travelers with aesthetics, interests, and recreation that align with their lifestyle. The goal? A trip that feels like it was built for you (because it was).

QUALITY OVER QUANTITY

I lock in unprecedented value and combine it with exceptional service. Authenticity replaces tourist traps, pacing replaces hustle, and VIP perks pair with legendary properties.

INTENTIONAL INVESTMENT

Working with a travel advisor saves you time and money. My training, research, and top-tier industry connections ensure you don't waste a dime—or an hour Googling "best restaurants in Barcelona" at midnight.

PERSONALIZED DESIGN

This is your vacation, okay? It should be tailored to your preferences and budget. From wellness to gastronomy, island beaches to European capitals, you'll receive a highly customized itinerary.

TRUSTED PARTNERSHIPS

The travel industry is built on collaboration. My strong relationships with vetted hospitality partners and global suppliers unlock perks and upgrades you'll never find in a quick Google search.

WHO I WORK WITH

Folks who are pressed for time, but appreciate detail and inspiration, and want to feel cared for every step of the way. My services may not be suitable if you're looking for the lowest price or comparing online deals.

My Promise To You

The Definition of Luxury? *It's Highly Subjective*

Let's swap decision paralysis for peace of mind. I plan intentional travel experiences that emphasize comfort, smooth transitions, and your priorities—not mine.

TAILORED DESIGN

No templates. No generic trips. I create unique, thoughtful itineraries that combine your interests with your desired destination.

STEADFAST SUPPORT

This is my sweet spot. Receive ongoing support from me during your trip, and lean on my network of hospitality heroes and type-A destination experts for on-site solutions.

EXCLUSIVITY

One of the perks of working with a travel professional? Securing upgrades, resort credits, and private access. These come from my affiliation with premium agencies like Uniglobe, Virtuoso, and Marriott.

TRANSPARENCY

My policies are honest and clear, with no false urgency, and absolutely no fine print. Your time is valuable, and I am here to protect it.

The Process Ahead

STEP ONE: CLIENT AGREEMENT AND DISCOVERY CALL

Sign the Client Agreement, and we'll schedule a Discovery Call (required). Share your must-haves—the more you share, the more value you get. After the call, I'll send an invoice for the planning fee.

STEP TWO: ITINERARY DESIGN AND PROPOSAL

I'll send your itinerary within 1-2 weeks of the Discovery Call. To maintain booking momentum and accurate pricing, plan to place a deposit within 3 days of final itinerary approval. (Things move fast in travel—hesitation usually means higher prices or losing your spot.)

STEP THREE: DEPOSIT AND CONFIRMATION

After receiving your deposit, I'll reserve your flights, hotels and excursions. From there, I'll continue to expand the Itinerary, focusing on details like dining, spa visits, and recreation.

STEP FOUR: PRE-DEPARTURE AND FINAL ITINERARY

Approximately 20-30 days before departure, I'll confirm any VIP amenities or upgrades. One week out, I'll email your double-confirmed itinerary and record a video summary of the trip so you know exactly what to expect.

STEP FIVE: YOUR WELL-DESERVED VACATION

Now go have the trip. If anything goes sideways (life happens), I'm just a call away—plus you'll have pre-arranged WhatsApp contacts for in-destination support (when available). You travel. I handle the chaos.

What I Ask Of You

In order for this process to feel seamless, we need to work together as a team. Here's what I ask:

TIMELY DECISIONS

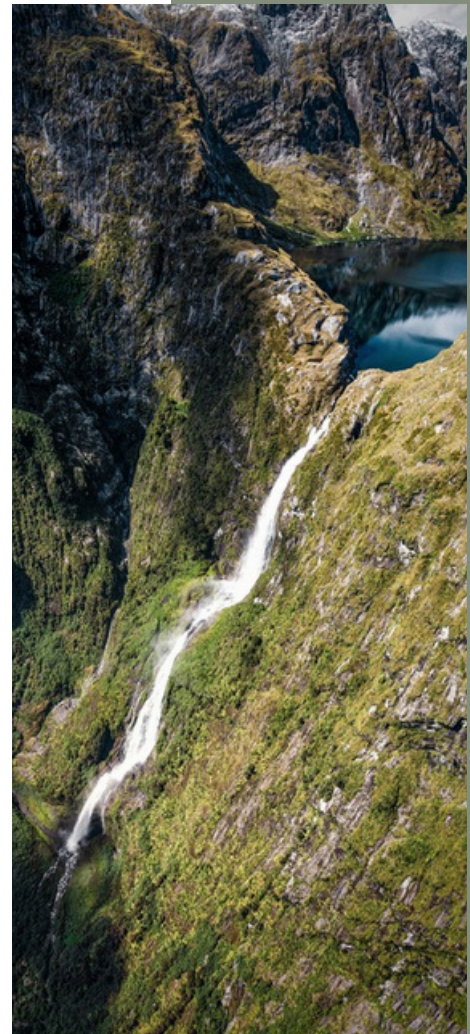

In the travel industry, things move fast (like minute by minute). Quick decisions ensure your itinerary is protected and exactly as you requested. Hesitation usually means losing the room you want or paying more for the same flight.

CLEAR COMMUNICATION

To design the perfect vacation for you, I must know your non-negotiables, learn about your interests, and take note of the little details that add maximum comfort. Please and thank you!

TRUST THE PROCESS

Vetted hospitality partners, an obsession with details, and a multifaceted approach lead the way. I'll prioritize your best interests and safeguard your investment from start to finish. *Let me do what I do best.*

FAQs

01. WHEN WILL I RECEIVE MY PROPOSAL?

A typical itinerary is ready within 1-2 weeks of the Discovery Call (except for complex international trips) and after the planning fee is received.

02. HOW MANY ITINERARY REVISIONS CAN I MAKE?

Revisions can be tempting, but trust that I have your best interests in mind, and we don't want to go down a rabbit hole. That being said, two rounds of refinements are included at no additional cost.

03. HOW DO AGENCY PERKS WORK?

Take advantage of daily breakfast, late checkout, butler service, private tours, and priority dining. These are subject to availability, but add extraordinary value to a trip.

04. WHAT DOES IT COST TO WORK WITH YOU?

Custom itinerary planning starts at \$250. Your fee reflects the time, care, and support I provide from our Discovery Call to your return home.

05. WHY WORK WITH A TRAVEL ADVISOR?

This partnership eliminates planning stress, adds exclusive perks, and elevates your entire vacation. You get access to things you can't Google your way into—Virtuoso benefits, room upgrades, resort credits, and a human who actually answers when things go sideways. It's not comparable to a coupon, subscription, or online deal.

Insider Access, Elevated Experiences

You deserve to feel taken care of. My relationships with some of the world's most renowned travel agencies and programs allow my clients to access fancy extras not found online (yes, really!). These invitation-only programs are designed for travel advisors who provide high-end experiences, going wayyy beyond standard flight and hotel reservations.

What does this mean for travelers? Essentially, your reservation is first on the list for perks and privileges that range from resort credits to one-of-a-kind private excursions that will make your trip unforgettable.
