

IT'S A GARDEN... *naturally!*

SEEDS PLANTED

{Plant seeds on a regular basis}

New people you've just connected with for the first time. Leave your house! Expect to find seeds. Be interested in others. Listen more.

SEEDS WATERED

{Be a good human}

Reach out and just be friendly - build a relationship. Genuinely care about them and get to know them. You don't need to talk about dōTERRA.

SOIL/SUN/ WATER

{You are the gardener - you're in charge of cultivating}

Sampled. Invited to a class or been to a class. Learned a little about oils.

HARVESTED

{Reap what you have sown}

Enrolled!
