frequently asked questions

PRINTS & ALBUMS

You can purchase ALLLLL the goodies in your online gallery from your engagement session and wedding day. Everything is customized to print from professional labs that I have hand chosen as they are my personal faves (you're gonna LOVE 'em!) Albums can be designed and ordered straight through your online gallery so you can pick and choose the exact photos you want to highlight from your wedding. They also make amazing gifts for mom, just saying :)

DIGITAL FILES

I deliver high resolution engagement and wedding images via a custom online gallery. Galleries make it easy peasy to send your gallery to friends & family, order prints, design your own album, etc. It's super easy to use and allows you to access your wedding images as soon as I am finished editing them. Online galleries are up for a full year after I've uploaded them so you have plenty of time to enjoy the gallery and download them to as many places as your heart desires.

BOOKING

Head on over to my "Book Me" contact tab and let me know which package you are most interested in. I'll get back to you so we can set up a few minutes phone call/skype date/facetime hangout, etc! When you're ready to book if I'm still available for your wedding date, I will send a proposal through my online studio management system, Honeybook, where you can sign the contract and pay the non-refundable retainer fee, and voila :) booked!
