

# TPDA FEBRUARY NEWSLETTER

## Honorable Dancer

Don't forget to turn in your report card to be a TPDA honorable dancer. This is for students who have made all A's and B's on their report cards. We are so proud of how hard our students work in and out of the classroom and want to applaud their achievements! This can be emailed or given directly to us as the front desk. Students will be recognized in the program at our recital.

## Performance Team

Our performance team will be doing a Valentine's performance at Parkview Retirement Home on Sunday, February 12th to help spread love and cheer to the elderly. This is such a special treat!

## Summer Programs

Summer Camps and Intensives have been posted. We highly suggest our older dancers to look into participating in one of our intensives. This will help you be prepared for next dance season! Registration will open SOON! Save the date!

## TPDA Service Society Project

During the month of February we want to show LOVE to our local first responders. We will be collecting pre packaged snacks/treats to deliver to local fire depts, hospitals, and police departments.
