## Shim cocktails

It's a little experimental. Shims are drinks with a lower "alcoholic strength by volume" (ABV) than their mainstream counterparts. In shim cocktails, strong spirits replaced by lower percentage alternatives, allowing you to enjoy a tippie or two without the headache the next day.

### **Ballerina**

1 units £7.5

We put our megaminds together and create this perfect summer drink!

Aperol | Lychee | Noilly Prat | Bitter Lemon
