

**MONOCHROME STUDIOS**

**PORTRAIT STATION**

# Luxury Event Portraits

---

*Our portrait station will elevate your wedding day with our modern editorial look. The portrait station provides a memorable experience at your wedding with polished black and white images to be printed and cherished for a lifetime.*

# Step into a professional portrait studio

where you and your guests will  
experience a glamorous moment  
in the spotlight, guided by a  
professional photographer who  
will direct your guests in  
flattering poses.

# Packages

Our professional studio set-ups include a luxurious white backdrop, expert lighting, real-time retouching, and print or digital black and white photos for you and your guests, along with an online gallery for you to share with your guests.

and more.*

## The Photo Team

With over 20 years of experience as a wedding and celebrity photographer, Rodrigo Varela has the expertise to provide you and your guests with an enchanting and professional experience. His technical skill and artistic style, along with an eye for a clean, classical look, will produce elegant portraits that capture the timeless beauty of your wedding day.

Rodrigo and his team will work behind the camera and behind the scenes while you shine!
