

A stack of books is shown, with the spines of several books visible. The books have different colored covers: a dark green one at the top, a red one in the middle, and a teal one at the bottom. A semi-transparent white rectangular box is overlaid on the center of the stack, containing the text 'TERIV', 'PHOTOGRAPHY', and 'SHOP BROCHURE'.

WEDDING ALBUMS

I offer a range of incredible luxury albums which are perfect for showcasing your favourite Wedding or photoshoot images.

Choose from a more 'story-telling' flow album to a large format 'coffee-table' book to show off to everyone.

The coffee table book has more durable card pages which are very resistant to fingerprints & scratches & my 'story-telling' albums have fine-art paper with a luxury eggshell feel & come presented in a beautiful 'keepsake' wooden box.

Both choices are also available in smaller formats to use as 'parent' albums. Perfect for gifts.

There are also 80 cover material & colour choices so you can match your Wedding colour theme or choose to go neutral - my cover designs are always plain with your names laser etched on the front.
