

BEAUTY ANGELS

HAIR & MAKEUP

Your wedding day isn't just about hair and makeup. One thing is clear, beauty isn't vanity. It's an emotional connection to how we feel.

When you love how you look, you're a little lighter in your step. On such a special day, it's a feeling you'll remember and cherish for a lifetime. Not only is that feeling special, but the time spent with family and loved ones is also even more special.

Let us take the stress out of your day so you can relax with your friends, drink champagne and enjoy being the bride.

WHAT *to expect*

We have a very different approach to wedding day makeup. We aren't your "cookie-cutter" artists where everyone looks the same. There is an entire process that celebrities use to look their best and it's for good for a reason. Why is your wedding day any different? This is your red carpet moment.

Here at Beauty Angels, we make sure you get the full red carpet treatment. We partner and collaborate with you to design a look you love, completely customised to YOUR taste.

Our style is more celebrity red carpet than a social media trend. While we can do any look you like, we specialise in "you but better" looks that are timeless and last a lifetime.

Health + Safety

Even before Covid-19, we've always taken infection control very seriously. Clean makeup kits, brushes, and scraping all products and powders, we go above professional standards, we follow professional guidelines at all times.

BRIDE ONE

Before and After

Before

Dani is beautiful inside and out with make-up or not. She was concerned with dark eye circles and her make-up lasting all day. After a recent loss she wanted a stress free morning.

We performed a luxury skin prep application and used cream and airbrush makeup.

After

Dani has gorgeous skin but wanted to play up her eyes and lashes. She's a natural gal, but wanted to feel and look naturally glamorous.

We created a modern up do and was finished with a Miss Clemmie hair accessory.

Dani booked natural glam bridal hair and make-up .

BRIDE TWO

Before and After

Before

Catherine is stunning even without makeup. She was concerned with getting flush and red on her wedding day as she has really sensitive skin.

We performed a luxury skin prep application and used cream and airbrush makeup.

Catherine booked natural glam bridal make-up and make-up.

After

Catherine's gorgeous skin, she doesn't wear a lot of makeup normally so it was important she looks like herself so we kept the look super naturally flawless.

Hair styling was romantic waves with half up half down finished with a bespoke Miss Clemmie piece to match the detailing on her dress.

BRIDE THREE

Before and After

Before

Anieka was concerned about her under eye darkness, and getting the balance of traditional asian styling with a modern bridal look for her fusion wedding.

We performed a luxury skin prep application, lashes and used cream and traditional make-up application.

After

Anieka has incredible natural features and wanted the focus to be on her eyes. She loves make-up, wears alot normally so it was important to her to get a professional finish that lasted.

Hairstylist Donna created a tousled bun, with soft detailing finished with a tika and head scarf.

Anieka booked Luxe Bridal hair and make-up service.
