

Hey there!

Welcome to March! First of all, **Happy International Women's Day!**

Can you believe we are ONE YEAR into COVID? It seems like yesterday we were all thinking, "Oh, we'll be home for two weeks and then return to our regularly scheduled lives."

As business owners, we've all been climbing a steep learning curve in COVID. Whether it was mastering the art of Zooming, or figuring out how to pivot to serve our existing clients and gain new ones, we've all learned how to be better business owners.

If COVID has taught me anything, it's to expect the unexpected, but remain thoughtful in how to manage the surprises.

In the case of Beth Blaney & Associates, the unexpected came in the form of abundance, followed by **deep gratitude**.

So let me say thank you, for your continued faith and partnership, but even more so for referring BB&A to your fellow entrepreneurs.

Thanks to all of you, BB&A has grown exponentially, making it necessary to wait list new clients. "Growth is great, but quality is better," remains the tenet of our business, and we are working to strategically scale operations to ensure the highest quality of support for the long haul.

Over the next few months, we'll update you on how we are making the BB&A experience better, so you can remain confident in choosing us as your bookkeepers and business cheerleaders. Stay tuned!

*Hint: We're working on something super special for small businesses & solopreneurs who are managing their own QuickBooks!*

Happy March!
