The amount of athletes at the tryout will determine which teams we can field. At this point it looks like we may merge all the 16s and 15s together to field the best and strongest teams possible.

Tryouts:

All tryouts will be run at the York Learning Center. We ask that you arrive early on registration day to make sure all the athletes are in the gym when tryouts begin. We will have things set up and ready to take registrations by 11 am Saturday and Sunday for the morning tryout session. When athletes arrive please have your paperwork ready. KRVA Tryout Membership Email or Receipt, Medical Release form “this can be found on the Yorktowne Website, and your Yorktowne Registration Confirmation.

If your athlete is planning to tryout please have your athlete registered as soon as possible on the Yorktowne website. The sooner we know how many athletes are trying out, we can better prepare our tryouts and where coaches may be needed.

If your athlete is not feeling well please keep your athlete home. We will still follow the basic rule of thumb. If they have any symptoms of Covid they do not get to participate. We will use what we saw at the open gyms to decide team placement.

- C) It is highly recommended that your son take competitive courses in high school. “Advanced Placement courses are important.”
- D) It is very important that you take your SATS/ACT as early as possible. Most schools will not allow any official or overnight visits without your test scores. “This could and is changing” As everyone knows with Covid some schools are now waiving these test scores.

IMPORTANT KEY ITEMS:

Uniform Packages – Are not included in the budgets. This year is a little different. Since we have moved to slunks we will have everyone pay Yorktowne their Uniform fee. This Fee will be due by October 2nd – 3 Jerseys, 2 Shorts, 1 Hoody - \$248

Spirit Store - There will be plenty of optional gear on the spirit store for the athletes, parents, grandparents and fans. These items will be in before Christmas.

Nationals – All Blue teams are required to attend nationals. We do recommend all teams attend this event.

LIU/Policies – Please note the LIU is part of a school district. So if they ask us to wear a mask in the building we would need to do so in order to keep using the building. At no times can we prop the doors open. And just a reminder no smoking on school grounds.

Next Season – In front of this building you will see a large old run down football stadium, soccer fields, tennis courts and some older empty building. This we hope in the very near future will be our new home with 21 wood courts and many things to offer our athletes.
