

HALO METHOD

Know God deeply. Grow in discernment. Live transformed.

This simple Bible study method is designed to help you understand God's character, grow in wisdom and discernment, and experience real life transformation. HALO, noun : an aura of glory. As we see God clearly in His Word, we begin to reflect His character in our lives.

PRAYER	Open and close your time with prayer. It can be simple. For example: "Father, teach me in your Word today" and "God, help me to remember and obey what you revealed to me."
--------	---

H - HIGHLIGHT	A - ASK
<p>As you read a passage:</p> <p>HIGHLIGHT, underline, and/or write down the words or phrases that stand out to you.</p> <p>Slow down and read the passage more than once. Pay attention to each word.</p>	<p>Instead of passing over parts that you don't understand, ASK God for understanding.</p> <p>If you still have questions, access the notes of a study bible and/or write down your questions to discuss with a more mature believer.</p>
L - LEARN	O - OBEY
<p>This portion is where you get to know God better and grow in your discernment. LEARN by asking these two questions:</p> <ol style="list-style-type: none"> 1. What does this teach me about God? 2. What does it teach me about the human heart? 	<p>God's Word comes alive in us when we respond to it.</p> <p>Quiet your heart and ask: If I truly believed this passage, what would change in my life.</p> <p>Write down how God is asking you to respond.</p>

LIVE IT OUT	As you move through your day, look for opportunities to share what God is teaching you.

The more clearly you see Him, the more faithfully you will reflect Him.
