MEET THE PHOTOGRAPHER

Hi, I'm Jessi!

I am here to document your best days and biggest milestones and help you have fun doing it! I may be a nerdy introvert on most days, but on your wedding day, I love being your hype girl, de-stressing stressful situations, and capturing the kind of memories you will cherish for a lifetime.

When I'm not photographing your favorite days with your favorite people, I can be found cuddling up with my dog Tobin and my cat Binx, reading the next book in whatever fantasy series I'm into (currently TOG), with a massive cup of hot coffee. I am also obsessed with whales, Harry Potter (House Ravenclaw here 🐡) and will talk about anything 90s related - especially if it has to do with my favorite band, Hanson!

WEDDINGS BY JCP

EVERY COUPLE HAS A LOVE STORY

Your wedding is a unique reflection of you, and it is truly an honor to be able to capture it in a way that will help you and your family remember it for years to come.

Your wedding day will be filled with so many moments...the cherished images of a lifetime. Captured creatively, those moments shine through as timeless heirlooms, instantly bringing you back to the essence of your day.

*I would love to tell
your love story.*

STYLE & EXPERIENCE

*what to
expect*

my style

FUN. STRESS-FREE. NATURAL. EMOTIONAL.

I am here to help make your wedding day as easy and fun as possible. While I am incredibly organized and will put together a timeline and shot list to help guide us through the day, that is not all you are to me, nor is that what your wedding day should be about.

I will guide you and make you comfortable in front of my lens, and give you images that will have the natural, more authentic feel of true keepsakes.

I like to call my editing style “warm and cozy.” I do not over-edit or over-process because I want you to look like you, and I want you to remember the moments as they actually happened.

my experience

With over 15 years of experience in the photography industry, I am familiar with many different types of situations and I am happy to send you full galleries of past weddings so you can see a full spectrum of my work.

I always aim to be both kind and professional when addressing any of my Client's needs, and I'm committed to providing timely responses to any of your questions before and after the ceremony.

As a seasoned professional, I want to assure you that your photography experience with me will be as fun and stress-free as it should be.

CLIENT LOVE

“We are in LOVE. You did such a beautiful job and there literally isn’t a single photo I don’t like. Literally could cry...

-Hannah K.

Hands down the best wedding photographer out there! You will not regret choosing to have Jessi photograph your special event. She showed up on a hot, humid day with a positive attitude and a smile. The photographs turned out beautiful. I am so glad that we chose Jessi Casara Photography to document our wedding day. 🧡

Jessi took our wedding photos on 2/1. She was so much fun to work with and literally made me feel like a model. She is so kind and very patient with family. Through correspondence prior to the wedding, she learned my wedding party's names and my close family's names. I was so shocked when we were taking photos and she was calling people by name! She is extremely personable and I loved that about her. Beyond her sweet demeanor, her photos were AMAZING. She was timely with editing and posted sneak peeks all along the way. Once I was able to look at the full gallery, I was brought to tears. She is also extremely organized. Working with her was a breeze, and she made everything go smoothly the day of. I can't wait to have another excuse to get professional photos done again. HIGHLY recommend!

Loved every bit of working with her. Look no further!!!

Not even sure how to put into words my appreciation for Jessi Casara Photography! My husband, family, and I could not more highly recommend Jessi and her amazing work! She has been such a blessing, and we'll be grateful for her for the remainder of our lives. We are so in love with all of the photography work she's done for us, from our engagement session to our recent wedding, but with Jessi, you're getting so, so much more than stunning shots of important moments — you're getting a truly kind, supportive, hardworking, talented, and encouraging artist ❤️. Jessi - Harperdog (did I mention she's also a pro with doggos on top of everything else?!?), Matt, our families, and I are so, so thankful for you!!

Jessi was so friendly and energetic while taking our photos. She was an amazing photographer for our wedding and our wedding party and families raved about her. Will definitely book her again in the future!

Jessi did the photography for my wedding, and she made my day extra special!! Everyone was raving about how nice my photographer and her assistant were!!! She was SUPER organized and time efficient!! I cannot describe how amazing Jessi is!!! She really, really enhanced my wedding day!! She knew exactly what I wanted and didn't try to get me to take more group pictures after we were done! I got to enjoy my reception and she caught every moment!! I cannot recommend her enough!!

WHAT DO YOU WANT DOCUMENTED?

details & getting ready

YOU'LL WANT 1-2 HOURS FOR THIS

You spent months - maybe years! - planning every detail: your dress/suit, shoes, flowers, rings, stationary, jewelry, keepsakes, etc. Each of these decisions and details is an important part of your wedding day.

And how about those final moments you spend getting ready with your favorite people? Getting buttoned into your dress? Having mimosas with your ladies or beers with your boys?

This is an important part of your day to consider including in your photography coverage.

portraits

YOU'LL WANT 2-4 HOURS FOR BOTH PRE- AND POST-CEREMONY PHOTOS

This is your day, and the moments leading up to the "I do's" are some of my absolute favorites.

Pre-ceremony portraits include the bridal portraits, portraits of the bride and bridespeople, groom portraits, and portraits with the groom and groomspeople.

If you are doing a First Look, we'll also do family portraits and portraits with the full wedding party. If not, we'll do those after the ceremony, along with your Newlywed photos!

ceremony

YOU'LL WANT 1 HOUR FOR THIS
(UNLESS YOU ARE HAVING A FULL MASS)

This is what we're here for. During this time you'll of course want ceremony coverage of all the usuals - walking down the aisle, exchanging vows and rings, the first kiss, etc.

During this time I'll also get candids of guests arriving, as well as all of the ceremony decor and details.

reception

YOU'LL WANT 2-4 HOURS FOR THIS

This is when the party starts! During this time I'll be getting the reception decor and details, candids of guests, group/table shots, plus any reception traditions you want covered. For example:

- Entrances
- First dances
- Toasts
- Cake cutting
- Bouquet/garter toss
