

choosing your *Infratech system.*

STEP 1

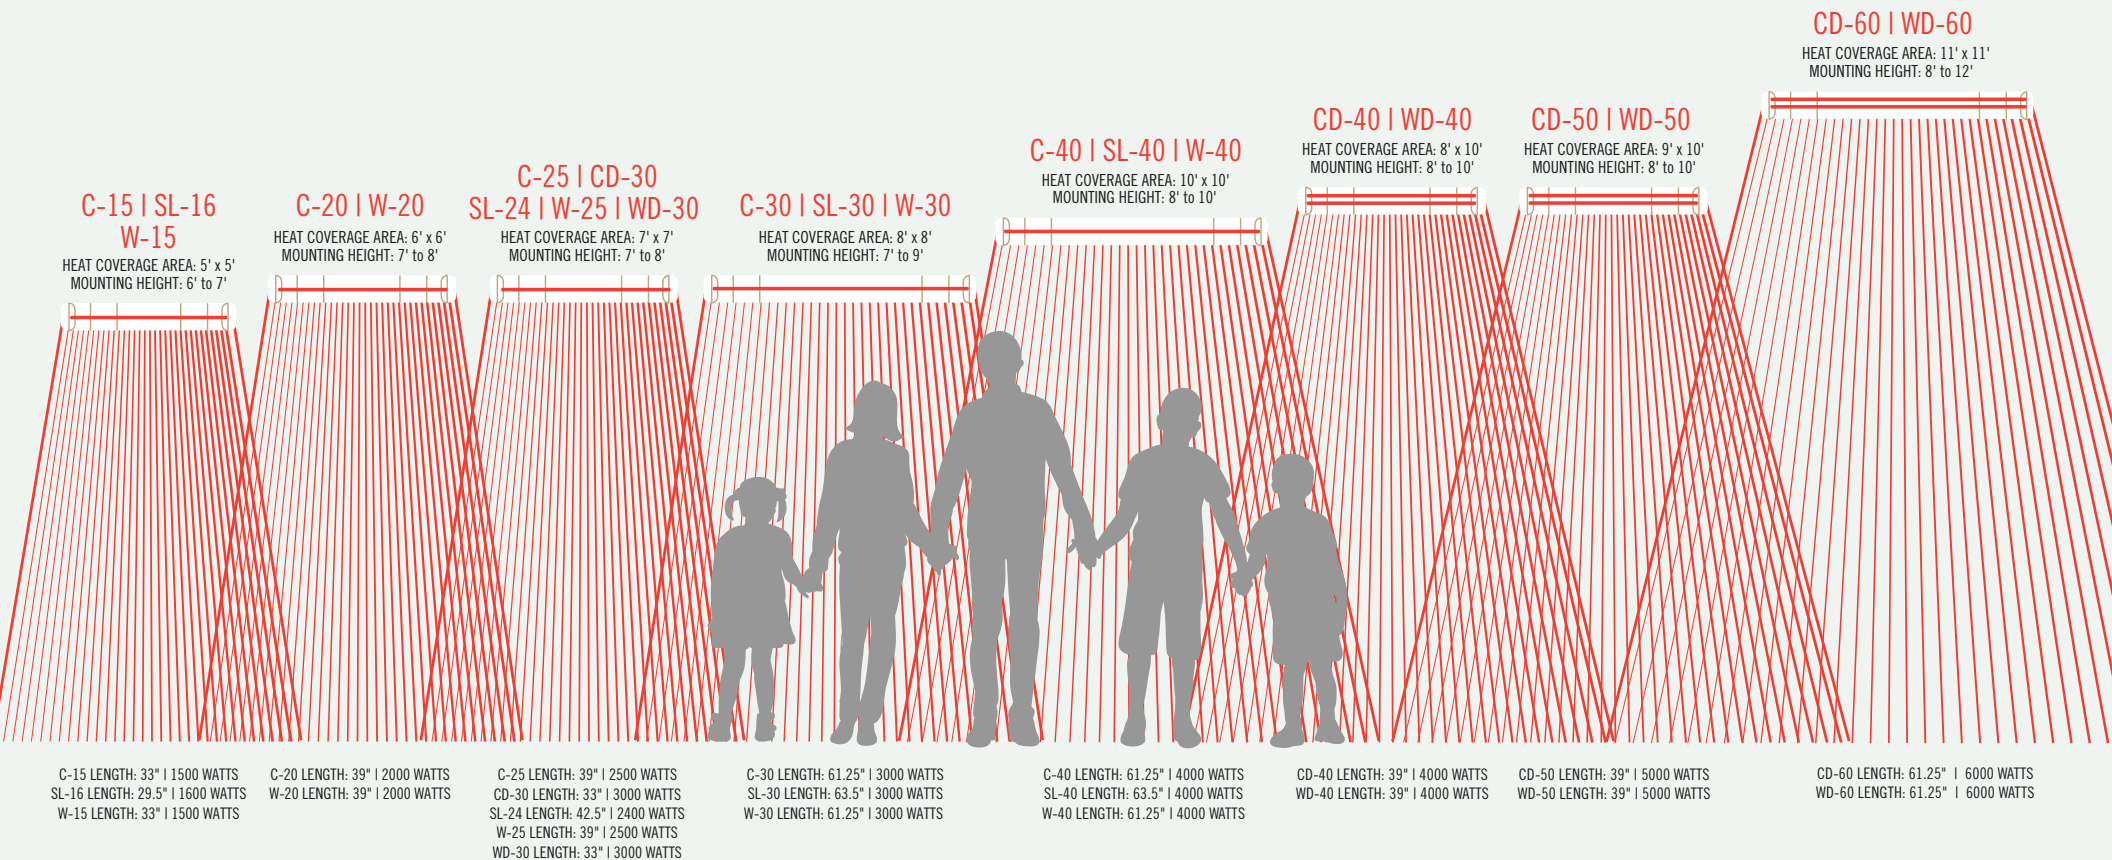

Measure the dimensions and mounting heights of the area you want to heat.

STEP 2

Select the heater(s) that will work both functionally and aesthetically for your space. Consider heater size, quantity, color and mounting options.

STEP 3

Choose the control option that works best for your space, needs and budget.

C=C-SERIES SINGLE ELEMENT HEATERS (WIDTH: 8.19")
